Bittenbender, George

Bath Sailor Is Promoted At Sea

APR 24 1945

George Bittenbender, 33, Bath, was advanced to electrician's mate, third class, USNR, aboard a light cruiser in the Atlantic.

He joined the crew on June 27, 1944, and wears the American Area and European - African - Middle Eastern ribbons with one star for participation in the invasion of Southern France.

Bittenbender is maried and was employed by the Keystone Portland Cement Company before entering the service.
