

Good conversation at the Moravian block watch

The Bethlehem Gadfly Block watch, Neighborhoods February 6, 2020

🌀 *Latest in a series of posts about Neighborhoods and block watches* 🌀

Last night organizers Katie Reagan and Councilwoman Grace Crampsie Smith — doing the Lord’s work — met with Bethlehem officer Buskirk and Moravian Chief of Police Blake and a group of ten residents at the Moravian Block Watch.

Chief Blake reported to the residents positive developments in regard to tailgating, parking, and the general behavior of the current Moravian student body.

More good news: Councilwoman Crampsie Smith read a detailed letter from Bethlehem head of Public Works Mike Alkhal addressing questions the block watch had about traffic in the Main St. area.

The Moravian block watch usually meets the first Wednesday of the month at 6PM in the HUB Building, Moravian College.

Gadfly would love to hear about other block watches across the City.
