Officer David Horvath and Councilwoman Grace Crampsie Smith at Moravian block watch

Councilwoman Crampsie Smith doin' the Lord's work again.

Ten residents met with her and Officer Horvath last night.

Conversation revolved around student rentals, student parking problems, and nuisance zoning violations by a local business.

Gadfly gives you here a funny piece of conversation — agile students perhaps using access to a police scanner to know when the cops are a 'comin' to quiet their noisy party!

Gadfly would love to hear about other block watches across the City.
