Brothers In Service

Three sons of Mr. and Mrs. Frank Nastasee, of 1153 North Main Street, Hellertown, are in the service, two of them serving in England. They are Sgt. Phillip C., with the Air Corps; Pvt. Frank, a paratrooper, in England, and S 2-c Anthony, in the maritime service and now stationed at Sheepshead Bay.

Phillip, who recently returned to England from a furlough in Scotland, and Frank some weeks ago had a happy reunion in London, arranged by one of the services, presumably the Red Cross. Anthony enlisted last August 28, just after becoming seventeen. Frank has just successfully finished the sniper's course. He was inducted April 6, 1943, and was trained with the 17th Airborne Division at Camp Mackall, N. C. Phillip was inducted July 20, 1942.
