WALTER REICHARD

CLIFFORD REICHARD

A letter received by Mr. and Mrs. Joseph Reichard, 117 Mechanic Street, informed her that her two sons, S2-c Walter Reichard and F1-c Clifford Reichard met somewhere in the Pacific, the second surprise meeting the brothers have had since entering the service. They had their first meeting at Norfolk, Va., before they left on active duty assignments.

F1-c Clifford is serving on an L.S.T. Prior to entering the service, he was employed by the Sheet Metal Works in Allentown.

S2-c Walter is serving on a Destroyer Escort. Married to the former Anna De Sentis, he was employed by the Bethlehem Steel Company before entering the service.
