**Bethlehem Soldier  
Is Convalescing At  
Valley Forge Hospital** 1944

Pvt. Edwin Breiner, 644 Leibert Street, this city, is a patient in Valley Forge General Hospital, having arrived there Thursday from the African war theater.

He suffered wounds of an arm and leg, but is reported to be out of danger and recovering. His parents visited him during the week-end. He is the only Bethlehem soldier now confined to that hospital.

A brother, Charles, is with the U. S. Air Corps, stationed in Florida.
