IES—FRIDAY, NOVEMBER 5,

### Louis J. Mirro Promoted To Corporal

Mr. and Mrs. Michael Mirro, 937 Seneca Street, Fountain Hill, yesterday received a letter from their son, Louis J. Mirro, who is attached to the U. S. Army Engineering Corps somewhere in the Pacific Ocean, that he had just been promoted from

CPL. LOUIS J. MIRRO

private to corporal. The letter states that he is in good condition and sees many interesting things, besides his regular daily routine.

Corporal Mirro attended the Fountain Hill High School and upon leaving the same he worked for his father, who by trade is a carpenter. He was inducted into the service Oct. 24, 1943, and sent to Cumberland. A short time thereafter he was transferred to San Francisco and two weeks after reaching the Pacific Coast he was shipped to the Hawaiian Islands.
