Three Brothers Serving

L. Urban Bringenburg Cox, of Tiburon, California, Floating Dry Dock, Training Center, recently spent a brief furlough with his parents, Mr. and Mrs. Lawrence Bringenberg of Montclair Avenue, Bethlehem. He has been in California since finishing his basic training at Camp Perry, Va., with the Seabees last March.

Bringenberg has two brothers in service, Lawrence Jr., private first class in North Africa in the Army, and Thomas B., F. 2/C, in the Navy, somewhere overseas.

All three entered the service within three months, and have never met one another since. This was Urban's first leave since induction February 11, 1943.
