**"It's Wonderful" Says  
Navy Man As He  
Returns to Home**

APR 1 1946

Frank G. Murcic thinks "it's wonderful" to return home to 461 Adams St., after serving two years with the U. S. Navy. Discharged with a rating of SoM2/C, his wife and daughter returned with him after a short visit with relatives in California.

Murcic received his boot training at Camp Perry, Va., and was sent to the Fleet Sound School at Key West, Fla. He had temporary duty on the USS Sylph, operating out of Fort Lauderdale, Fla., and was then transferred to Springfield, Ill., Songamo Electric Company, for attack teacher instruction and maintenance. He completed his tour of duty at Bremerton, Wash., with commendable application as instructor on anti-submarine warfare. SoM2/C Murcic wears the American, Asiatic-Pacific Theater ribbons and the Victory Medal.

The ex-bluejacket plans to return to orchestral work and music instruction.
