

Sigmon, Jackson M.

## Legal Officer

Lt. Jackson M. Sigmon, son of Mr. and Mrs. William L. Sigmon, 522 West Third Street, of this city, is now serving as legal officer with the Military Government Detachment in the city of Offenbach, Germany. Lt. Sigmon, a local attorney, is supervising and handling legal and prison matters in an occupied area of 200,000 Germans.

As legal officer, Lt. Sigmon is acting as prosecutor in cases which break any of the rules and ordinances of military government. Young Sigmon says most cases involve travel and curfew violations and thus far, the Germans have been obedient on the whole.

In addition to his legal duties, the lieutenant is supervising the administration of the prisons and reform schools in his detachment's area jurisdiction.

Lt. Sigmon, who holds degrees from University of Pittsburgh, Harvard and Duke, is a member of the Pennsylvania and Northampton County Bar Associations.
