**Local Men Leave  
For Navy Service** <sup>28</sup> 1946

The Navy recruiting station in Allentown this week has forwarded 104 Lehigh Valley men to Philadelphia for final examinations and enlistment.

The latest contingents to leave included a group of 31 recruits on Wednesday and another group of 16 yesterday. With additional contingents to be forwarded in the next few days, the local station will probably set a monthly record for enlistments.

Those who went to Philadelphia yesterday included these Bethlehem men:

Donald G. Gross, 669 Alaska St.;  
George J. Hassick Jr., 619 Christian St.;  
Geza Keleman, 657 Lamb
