

Diamond, Maynard L

RECEIVES CAPTAINCY—Maynard Lake Diamond, son of Dr. and Mrs. H. M. Diamond, 801 West Broad Street, and grandson of Simon Lake, inventor of the submarine, has been made a captain in the United States Army. He is stationed at Camp Carson, Colorado Springs, Colo., where he is aide to Major General W. H. Gills, who commands the 89th Infantry Division. Captain Diamond is shown here in the uniform of a first lieutenant, when he received that commission in April.
