

Fatzinger, L. L.

## Local Gobs Aboard Ship

The three Navy men pictured aboard the USS Los Angeles, heavy cruiser, are from Bethlehem and this vicinity and all are rated Seamen 2/C in the Naval Reserve. They are, left to right: John Pearce of Rochester Mills; L. L. Fatzinger, 223 Summit St., and Joseph Huerta, 123 East Third St., both of this city. That's the city of Hong Kong, China, in the background.
