Lehigh Valley Good Neighbors Alliance

Thursday, December 3

Citizens of Bethlehem and all the American Patriots who emailed Bethlehem City Council this week and answered the call to speak out at the City Council meeting last night (December 1st). You have quite literally helped shape the future of Bethlehem and America for the Better.

TOGETHER WE WON! Bethlehem's public safety is secure for another year. Bethlehem City Council has pledged that they will not defund the Bethlehem Police Department and instead will support a modest 3% increase in the public safety budget. They also admitted that the emails they received this week had a major impact. So much so that they announced before the meeting even started their intention to not offer any amendments to defund the Bethlehem Police this year.

Please stay tuned as we update this continuing story...

Thank you LVGNA. Thank you to all the citizens who spoke up on behalf of an excellent police department. I'm sure if all the officers could speak, they would all thank you too.

Good for Bethlehem. Voters there have to remember not to back big city leftists who support BLM, Antifa and the criminal element.
