**Local Man On Navy  
List Announcing  
191 Casualties**

**JAN 3 4 1945**

The Navy Department announced today the names of 191 additional casualties of the Navy, Coast Guard and Marine Corps. They included that of Pfc. Walter L. Wolfe, USMCR, listed as wounded. His parents, Mr. and Mrs. Walter L. Wolfe, Sr., reside at 418 North New Street.

Casualty lists issued to the press necessarily follow by some weeks the actual notification to next of kin, due to the clerical job of placing them in proper category, dividing by states, and giving press associations time for distribution.
