Art and Design

Thursday, October 2 | 5-7 PM

Join us in the Banana Factory's Crayola Gallery and enjoy a glass of wine and hors d'oeuvres while meeting our resident artists. This is a lovely opportunity to view the artwork in the gallery and in our artist studios at the Banana Factory. While you're here, check out the region's only hot glass studio, where the 40-foot-tall "Four Elements" glass sculpture at SteelStacks was created.
