Speaking of Bethlehem treasures— Touchstone

Gadfly “attended” this event last year for the first time — very cool!

The screenshot shows the Touchstone Theatre website. At the top left is the logo for Touchstone Theatre, "Theatre that Transforms". To the right are navigation links for CONTACT, DONATE, and TICKETS, along with a search bar. Below these are more navigation links: HOME, ABOUT, SEASON, EDUCATION & TRAINING, HPA, COMMUNITY INITIATIVES, and SUPPORT. The main content area has a green header with the word "EVENTS". Below this is a large image of children performing on stage, with the text "Young Playwrights' Festival" overlaid. To the right of the image is the event title "SPRING FESTIVAL OF NEW WORKS - YOUNG PLAYWRIGHTS' FESTIVAL" and details: "Directed By: Touchstone Ensemble & Special Guests", "Written By: Local Student Playwrights", and "Performed By: Touchstone Ensemble & Special Guests". Below this is the date "May 22" and two options: "7:30p - for student playwrights, joining us in person" and "8:30p - for livestream, from the comfort of your home". There is a green button labeled "DONATIONS". At the bottom of the page, there is a paragraph of text about the festival, a "Naming sponsor" section with the logo for "PERON DEVELOPMENT", and social media icons for Facebook, Twitter, YouTube, and Instagram.
