

Woods, William H.

Graduates

William H. Woods, son of Mr. and Mrs. Harry C. Woods, 1611 Lincoln Street, has graduated from Yeoman School at the Naval Training Center, Bainbridge, Md., and is now consigned to the Amphibious Training Base, Little Creek, Virginia, its designation being an L.S.M. unit.

In a recent letter to his parents, he states he will be with the 48 men making up that unit, until the end of the war. The only yeoman in this group, he will handle all clerical work. He has just received the rating of Seaman First Class.
