

Ron's rovings: March 21

The Bethlehem Gadfly coronavirus, Local Color, Ron Yoshida March 27, 2020

🎪 *The Gadfly invites “local color” photos of this sort* 🎪

Ron Yoshida

Saturday, 21 March, in the courtyard behind the Sun Inn. I was walking and came upon these two women who were practicing social distance. They told me that they regularly walked their children together before the call for social distancing. They were getting together to share coffee and their recent experiences. I liked the “No Parking” sign between them.
