The Bethlehem Gadfly City government, Serious Issues August 22, 2019

(The latest in a series of posts on City government)

Good followers: did you review last Tuesday's City Council meeting as Gadfly urged?

Here on Gadfly at "[Zoning Hearing Board appointment withdrawn, Council discussion ensues](#)" or on the City web site.

The last hour of the meeting, Gadfly means — the "New Business" section.

Part of Ol' Gadfly is saying just let it go.

But he thinks he has to write about it.

And he will value your thoughts.

Two days have passed. Participants have probably cooled.

Gadfly himself has some distance on the happenings.

And will try to put some thoughts together for some time tomorrow.

He will invite you to think along with him.

But it's important that you are familiar with the primary source and have done some of your own thinking.
