The Bethlehem Gadfly Local Color April 29, 2020

🌿 *The Gadfly invites “**local color**” photos of this sort* 🌿

Gadfly is under house arrest. He has not been out since Jimmy Carter was president. Or so it seems.

But he had an hour of emergency work release this morning.

And found this at 807 N. Center.

House arrest does not shackle the mind. Especially the worrying part.

Gadfly son #4 works on an assembly line. Gadfly son #5 is a UPS driver. Gadfly son #6 works in a warehouse.

Anxiety is not known for downtime.

Is much of this kind of public thanks going on?

Please share with Gadfly any such public displays you come across.

Well done, 807!
