These meetings are video-recorded and can be viewed LIVE or later at your convenience on the City’s website after the meeting at <https://www.bethlehem-pa.gov/Calendar>.

Among things going on will be a communications about residential rental unit inspections and a vote authorizing the temporary closure of Packer Avenue that Gadfly’s been bludgeoning you about.

And there’s always the unexpected.

As long as he has flutter in his wings, Gadfly urges attending City Council live or virtually — one way or the other.

Participate. Be informed.
