Gadfly:

I wanted to put on your radar the first day of the Mount Airy Neighborhood Association West Side Farmers Market starts tomorrow morning. The time is from 9 AM till 1 PM at the south-east corner of the Rose Garden. It will feature local vendors and farmers selling products.

I am also organizing an effort to clean up the rose beds at the garden. Starting at 8 AM. Calling all volunteers to help in efforts to weed the rose garden beds.

Social distancing and mask wearing is required at the market and the volunteer effort.
