We are inviting South Bethlehem's residents and the business community to join us online for a community meeting to discuss the future of Southside.

Your unique perspective on the current strengths and challenges of the Southside, and your vision for improvements to be made in the coming years, would be very helpful in the development of the new south Bethlehem Neighborhood Plan.

As we approach almost 20 years of Southside Vision*, our current neighborhood plan and the focus of much of our work in the community. Your input gathered during these meetings, surveys or interviews will assist in the creation of a new neighborhood Plan.

*Southside Vision 20/20, a 6-year revitalization program of Community Action Development Corp. of Bethlehem (www.cadcb.org) and the City of Bethlehem, and with support from Provident Bank, Peoples Security Bank & Trust, and the PA Department of Community and Economic Development.
