The Armory is again on the agenda for the Planning Commission this Thursday at 4PM.

This is a “hot” topic. Neighbors want to attend. 4PM is inconvenient for many.

Agendas show the Aug and Sept PC meetings were at 6. Why now at 4?

The PC did agree to start meeting at 5 come the new year, which is a step in the right direction for resident participation.

Could/should the Thursday PC meeting be moved to 6?

I think the answer is yes.

Your consideration much appreciated.
