### Four Girls Sworn Into WAC Service 18 1945

Captain A. D. Hudson, commanding officer of the Allentown WAC recruiting sub-district swore in the following local girls yesterday afternoon in his Allentown office: June E. Marshall, Bethlehem R. D. 4; Virginia A. Smith, Palmerton; Mildred Feist Kratzer, Union Street, Allentown; and Anne A. Strapak, North Ninth Street, Allentown.

Capt. Hudson commended the new enlistees and said that the women of Lehigh Valley are heeding General Marshall's personal plea to the governors of all states that renewed civilian cooperation be given all WAC recruiting stations, particularly in the Medical Department's need for additional WAC's to care for the more than 20,000 medical casualties who are monthly being returned from overseas.
