

MUSIKFEST  
2000  
AUGUST 4-13

MURALPLATZ  
ENTRY FORM

REGISTRATION FORM

**Musikfest**, the largest music festival in the country, is currently inviting artists to participate in **Muralplatz**, one of our sites dedicated to celebrating the visual arts.

Musikfest, which features over 600 musical performances at 20 indoor and outdoor venues, takes place in historic Bethlehem. At **Muralplatz**, nearly a million people attending the festival have the opportunity to observe regional artists as they create stunning works of art on canvas. This year's **Muralplatz** theme, "The River," focuses on, but is not limited to, the significance of the Lehigh River and its impact on its surroundings.

To apply, please submit sketches drawn to scale which accurately represent the finished work. Finished murals will be 3' high and 5' wide. Artists selected will each have one day during the festival when their work and mural will be featured. However, all artists are encouraged to attend the festival on days other than their featured day. Featured artist hours are noon to 8 p.m. Nine artists will be selected - one for each full day of the festival.
