Kelcher, Elton

Due to Rev. H. J. Ehret being on his vacation there were no Reformed Church services on Sunday.

The farewell party planned for by the Farmersville Union Church Choir, due to the rain was held at the home of Walter Batt of Butztown. Cards and games were played after which an indoor "doggie" roast was enjoyed. The highlight of the evening was the presentation of leather toilet kits to the two members of the choir who enlisted in the U. S. Navy, Elton Kelcher and M. Osbourne Workheiser.
