### Becomes Corporal

AUG 11 1943

Back in 1940 when Liberty High School had one of the best schoolboy elevens in the state, George Shaton, son of Mr. and Mrs. John Shaton of 1537 East Third Street, was a member of the team. He played a guard and he filled the bill. In February of this year he received an important call from Uncle Sam, and following his induction he was sent to a training center at Atlantic City. Following the "prelims" he was transferred to Greensboro, N. C., thence to Hammer Field, Cal., and then to the Visalia Airdrome, Cal. Private George made the grade and today he wears the chevrons of a Corporal. He is now enrolled in an Air Corps radio school at Omaha, Neb.
