Finding H.D.:

A Community Exploration of the Life and Work of Hilda Doolittle

Bethlehem-born writer Hilda Doolittle — H. D. — (1886-1961) is

the “Lehigh Valley’s most important literary figure.”

Contributions to fund the museum-quality portrait of H. D. **by local artist Angela Fraleigh** that will hang prominently in the library are lagging. Can you please help? Visit <http://www.bapl.org/hd/>
