## The "Politicians" Work For Us!

The 1987-88 **Student Government** was a prominent organization within Liberty that continued the previous year's functions as well as assuming new means by which to fulfill its civic duty. Under the leadership of President **Marty Zug**; vice-president **Patrick Albus**; secretary **Jill Martin**; treasurer **Becky Fair**; and social activities chairman **Pete Valianatos**, the sophomore, junior, and senior representatives consolidated their efforts and focused on key goals.

The first accomplishment of this year's organization was the renovating of the Student Privilege room. Under

the supervision of chairman **Pat Albus**, carpet was added, the ping pong tables were replaced, and the walls were painted a fitting red, white, and blue. These improvements created a more appropriate atmosphere for these deserving students. In addition, the Student Government also continued its Drug Awareness Program to the tune of printing and distributing anti-drug folders to the entire student body. Co-Chairpersons, **Becky Fair** and **Jamie Oberman**, also continued their work with the Anti-Drug Video which was professionally taped this year and viewed by elementary school chil-

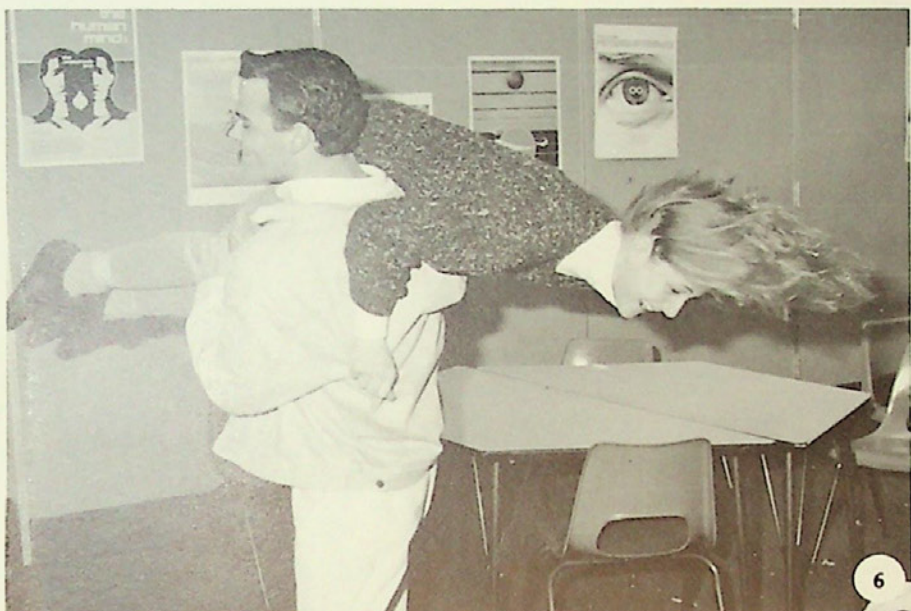

dren in an attempt to educate them on the problem of peer pressure in schools. The cafeteria committee, under the command of **Sue Little**, also continued to serve the student body by perfecting meal plans and varying the options from week to week. Student Government continued to sponsor the traditional Halloween, Spring, and Homecoming dances that it has become known for.

Student Government also held various "fun days" during the year in an attempt to increase school spirit. In addition to the annual "dress-up" days, Student Government sponsored a "slave day" which consisted of

the auctioning off of Student Government representatives to the highest bidders in return for the privilege of "Sycophantic rituals." They also sponsored the annual flower day which brightened the hearts of their recipients in May and helped to alleviate some of the end-of-the-year pressure.

All in all, this year's organization remained consistent with past years in serving the student body; though it may have lacked any significant advancements. The officers and representatives should be proud of their contributions to what has proven to be an exciting and successful school year.

## N.H.S. Gains Full Status

The **National Honor Society** was off to a new start after the first quarter, under the direction of rookie advisor **Mr. William Rapp**. Rapp's goals for the club were that the obligations and activities would be expanded to give the club more class and prestige. Members were motivated juniors and seniors elected to the club based on high academic standing and excellence in the areas of scholarship, leadership, service, and citizenship as evidenced by achievements, and written recommendations. Regular at-

tendance at meetings and activities was also required for membership.

Officers of the 1987-88 National Honor Society were **Sarah Gaughran**, President; **Christine Narzisi**, Vice President; **Patricia Willner**, Secretary; and **Rebecca Fair**, Treasurer. Projects and activities during the year included the induction ceremony, the annual blood drive, an Easter Egg Hunt for Easter Seal Children, the tutoring program, and helping with the Special Olympics.

## D.E.C.A. — Business At Its Best

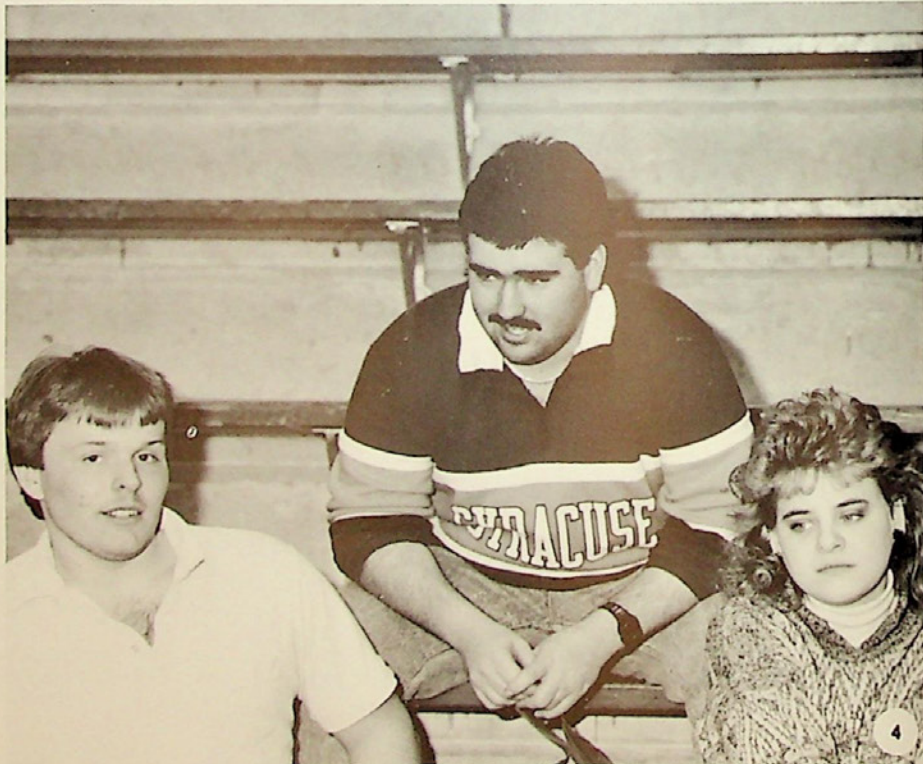

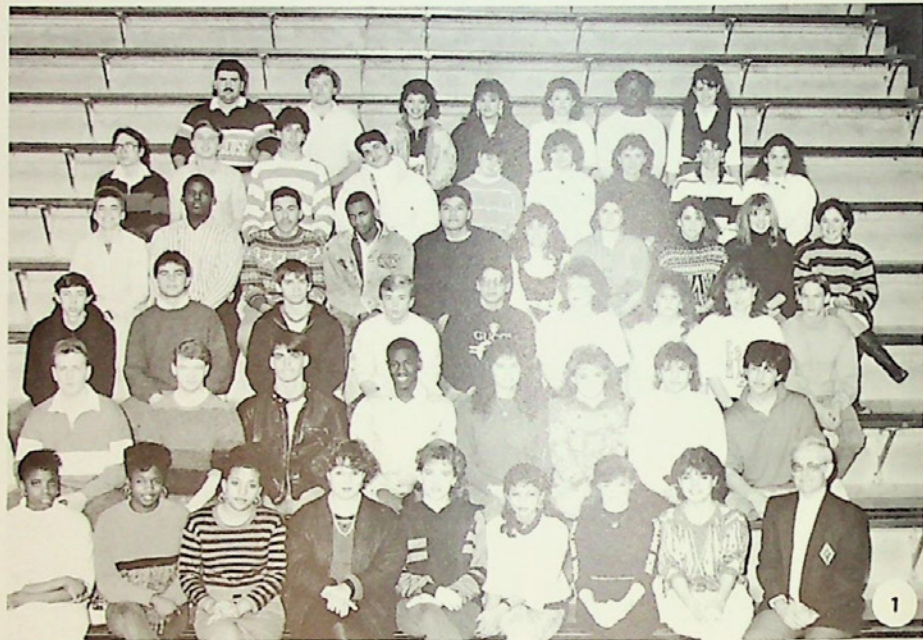

The Liberty High School Chapter of the Distributive Education Clubs of America (D.E.C.A.) Developed future leaders for marketing and the areas of industry through marketing and distributive education courses, school, and community services.

D.E.C.A. sponsored and funded the monthly perfect attendance award program here at Liberty High School. Every year they conduct fund raisers and donate all of the proceeds to various charity organizations throughout the community. All of these beneficial activities kept this very school-oriented activity extremely busy this year. D.E.C.A. also operated and managed

the school store. The school store is a tradition here at L.H.S. They introduced new items and the latest fashions.

In addition, the club also competed in regional competitions from which this year's group came away with the winners including: **Scott Glenn, Brian Ihle, Steve Ruhf, Michelle Morris, Felicia Occhigrosso, Jeff Ruch, Chris Jones, Tim Demerjian, Michelle Podboreski, and Tom Mosser.**

This year the D.E.C.A. Club was successful in encouraging students of different classes to sign up for business related courses.

## Debate Team: S.P.D.T.

The 1987-88 Liberty High School **Debate team** once again, has proven its uncanny ability to manipulate issues in favor of a pro or con stance. In accordance with the usual exemplary performance in the annual Schoolman's Club sponsored debate against Freedom High School, this year's team did not deviate from past year's performances.

Under the advisement of **Mr. Phillip Fair**, the team consisted of a majority of seniors, including: **Laura Schattschneider**, **Dominique Bergmann**, **Patty Willner**, **Sarah**

**Gaughran**, and **Pepe Spillman**; and two underclassmen including **Jenny Stinson** and **Alicia Pereira**. Though most of the year was spent in preparation for the April debate against Freedom, the team also traveled to Wilson High School to observe various league debates.

The motto of this year's squad was "S.P.D.T. — Search and Destroy," which was constant with the team's overwhelming desire to verbally attack their opponents and "put them in their places" which they certainly did.

# Artists Imitate Life

A new organization was formed here at L.H.S. this year whose purpose is to enhance communication among the related arts (i.e. Music, Writing, Film, Photography, Fine Arts, Dance and Theater). The originator of this forum for the arts was **Laura Schattschneider** who proposed the idea to the school board and realized the necessity of it here at Liberty.

It's formation rests on the idea that an environment conducive to development, collaboration, and experimental

tion in the arts would produce a greater quality production. Under the advisement of **Mrs. Judith Smullen**, this talented group of individuals succeeded in producing, directing, writing, and performing an entirely original performance on "what is art?" for various elementary schools. They also held a session of improvisational theater led by **Mr. Perrett** and taught a lesson in musical interpretation. Subsequently, it certainly is a valuable addition to LHS.

# Scholastic Prowess Displayed By Four

The 1987-88 **Scholastic Scrimmage team** exercises the mind instead of the body. The scrimmages were held at WLVT-TV Channel 39 studio, instead of an athletic field.

Team members and alternates were chosen in the late fall and practices were held throughout the winter to develop speed and accuracy. There are certain criteria essential in becoming a contributing member of this scholastic team, of which rapid recall is the most important in order to "out-do" the opponent. Other

criteria include: knowledge of literature, science, mathematics, and history, among other areas of study.

Although this year's team did not make it past the first round, they represented Liberty well by "fighting it out" with Parkland until the bitter end of that competition. Unfortunately, however, this year's team did not make it to the finals but it certainly had the talent and motivation of previous years. These team members were: **Laura Schattschneider, Jessica Weiss, Jon Flesher, and Adam Shelley.**

1. The 1987-88 **Scholastic Scrimmage team**: Adam Shelly, Jon Flesher, Laura Schattschneider, and Mr. Williams (Advisor). 2. Jon Flesher tries to help Laura "rack her brain" while Adam contemplates the consequences of such aggressive "assistance". 3. Adam and Jon page through summary guides. 4. Adam, Jon, and Laura seem pleased with their performance this year. 5. Mr. Williams says, "These nerds won't listen to me!" 6. "That's correct, boys!"

# Fulfilling Clerical Needs

The **Library Club** is an organization that consists of a few students who are dedicated to assisting **Mr. Schuler** in running the library. They perform many clerical duties, such as working with the computer and the card catalogue, that are vital in running the library efficiently.

Though the membership of this club is limited, the few members that there are work diligently and take advantage of the outlet for L.H.S. students who are interested in organizing and bookkeeping. Senior members are **Kerry**

**Reitenauer**, and **Ivette Perez**; while Junior members are **Cindy Paulus**, **Maria Roe**, **Kim Bresnek**, **Lisa Arnolds**, **Carrie Kloo**, **Jenny Marek**, and **Chris Henry**. Throughout this year, the library club sponsored a cookie sale and also went on an inspiring trip to Williamsburg, VA. Under the leadership of advisor **Jay Schuler** and **Jo Ann Becker**, such accomplishments have helped to establish this group as a more prominent organization within our school and a key outlet for certain business students.

# Computer Club Earns Recognition

Representing Liberty High School in several computer competitions, this year's **Computer Club** participated at the district level and in many other competitions. Members of this group of dedicated, hard-working students won first and second place in the district competition of 1987.

Headed by the knowledgeable **Mr. Smits**, the members learned new programming techniques and computer languages. According to **Mr. Smits**, the members "have always achieved the best possible programming techniques.

We are aware of and adapt to our program all the latest innovations, programs, and enhancements."

Members of the **Computer Club** consisted of **Enrico Bermudez, Rebel Cundall, Mike Dimler, Dave Dologite, Chris Kim, Roger Kuhl, Dave Werkheiser, and Shawn Yoan**. They functioned under the leadership of **Chris Contakes**, President; **Jason Stanford**, Vice-President; **Charles Hood**, Treasurer; **Travis Dague**, Secretary.

# Math Whizzes Show Their Stuff

The **Math team** has been a Liberty High School winning tradition for the past eleven years. The members of this year's winning team were well-known throughout the district for their great mathematical and reasoning ability.

To be a part of this prestigious organization one must be chosen through aptitude and testing try-outs that are open to the entire student body. The key factors necessary for placement on the team are speed, accuracy, versatility, and the ability to think logically.

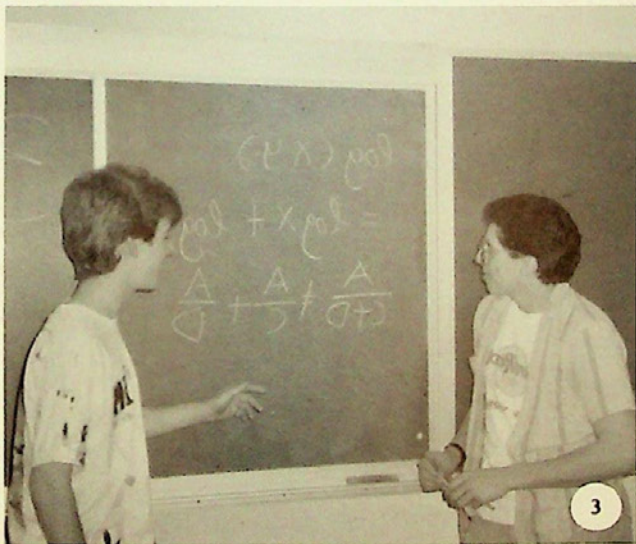

The team competed in various competitions sponsored by regional colleges throughout the year, including East Stroudsburg University, Lehigh University, and Muhlenburg College. The team performed well in both the oral and written competitions. The Advisor for this year's math team was **Mrs. Ruth Kappo**. The members were: **Alicia Pereira, Yucheng Duan, Wangchang Hou, Pete Spillman, James Kelley, William Vega, and Sherry Enders**.

# Interact Reacts To Needs

The 1987-88 **Interact Club** has painted new horizons here at Liberty High School. The purpose of this club, which is sponsored by the Rotary Club of Bethlehem, was to give service and organization to all the classes at Liberty High School. The many students helped with the parent-teacher conferences, homecoming week festivities, and at the Special Olympics held in May. The group gave moral support to these participants and timed them during their events, and also distributed lunches to them in reward for

their efforts. The **Interact Club** also helped out with picture taking of the student body.

The **Interact Club** has many different fundraisers including various candy sales, car washes, and bake sales, which helped to replenish the club's financial stability. Specifically, they sponsored a particular bake sale for C.R.O.P., a world church service to end world hunger, and fight polio throughout the world.

# S.A.D.D.: Increases Awareness

**S.A.D.D.** (Student's Against Driving Drunk) is a group whose purpose is to increase awareness and inform the student population about the problems of driving drunk, which is the number one killer of teenagers today.

S.A.D.D. is under the direction of **Mr. James Delgrosso** and it is sponsored by the Driver's Education Department. The group does not condone the use of alcohol, but it recognizes that there is a problem, and it tries to prevent drinking and driving.

The 1987 officers of S.A.D.D. were: **Donna Miller**, president; **Ashley Caldwell**, vice-president; **Tracy Kave**, secretary; and **Corrine Kozma**, treasurer.

Though the group is not extremely large, they support a wonderful cause and, in time, will increase in size and gain a larger following. Some activities that S.A.D.D. sponsored during this past year were announcements during Homecoming and the traditional Valentine's Day dinner dance which proved to be a great success.

# Exploring German Culture

The 1987-88 **German Club** had an altogether new purpose. The purpose this year was to explore the culture and customs of Germany and German speaking countries. The theme for the 87-88 yearbook has to do with goals and achievements. The German Club fit these goals and achievements in a number of ways. Membership was open to all the students at Liberty High School, not just those students taking German classes.

Every organization needs to raise money. The Ger-

man Club fulfilled this necessity through fundraisers such as selling advent calendars before Christmas. Also they sold Gummi bears in the early spring. As for trips, the German Club made plans for making a year-end trip to either New York or Lancaster.

The advisor for the German Club was **Mr. Damandl**. The president was **Mary Kovalchick**, and the vice-president was **Lauren Struebert**. The secretary was **Erin Neff** and **Shawn Glancy** was the treasurer.

# Spanish Club Focuses On Culture

This year's **Spanish Club** flourished and was much more organized than in previous years. **Mrs. Carolyn Roman**, the new advisor, took responsibility of getting the **Spanish Club** back to the popular and active club it once was. The club had about fifteen members, with leadership by past members. Officers for 1987-88 were **Kerry Smith**, President; **Nellisa Greenleaf**, Vice President; **Holly Maxwell**, Treasurer; and **Amber Conrad**, Secretary.

The goals of the **Spanish Club** for this year were to learn

more about Spanish culture, contribute to the Hispanic community, and act as a social club for Spanish language students. Fundraisers for this year included Taco Sales, Bake sales, and Lollipop Sales. Activities included trips to Spanish restaurants, a trip to New York, holiday parties, and distribution of funds to many Hispanic organizations. A special project the **Spanish Club** worked on this year was raising money to support a Honduran boy who recently had undergone surgery.

# Francophiles Have Busy Year

This year's **French Club** turned into an organized group led by faculty advisor, **Miss Tilli**. The purpose of the French Club is to learn and experience French culture beyond the classroom. Activities planned for this year included trips to New York and Philadelphia museums, as well as several social gatherings such as a Christmas party and Mardi Gras celebration. Other goals of the French Club included having exchange students discuss their experiences in America and comparing the American lifestyle to that of the French. Fun-

draisers for this year consisted of several bake sales which helped pay for their excursions.

Officers were **Ashley Caldwell**, President; **Jen Szulborski**, vice-president; **Kelley Klutz**, secretary; and **Sue Egeron**, treasurer. Members included **Michele Bennet**, **Wendy Borst**, **Sara Grubbs**, **Juanita Gupton**, **Jenny Jones**, **David LaBar**, **Heather Maxwell**, **Michelle Matla**, **Kim Matlock**, **Crislyr Penske**, and **Joan Vargo**.

## Students Create International Ties

This year Liberty hosted five exchange students, including: **Fredrik Attfall**, a senior from Haparanda, Sweden; **Henrik Christoffersen**, a junior from Sobroed Strand, Denmark; **Cristina Gonzalez**, a sophomore from Burgos, Spain; **Luisa "Luigi" Jimenez**, a senior from Mallorca, Spain; and **Marcelo Medeiros**, a senior from Guara, Brazil. Though Marcelo was only a temporary exchange student at L.H.S. and left Liberty in December, the other exchange students were at Liberty the entire year.

All of the students found Americans to be friendly and all agreed that Liberty was a stricter school than what they are used to. Also, changing classes was new for the students, as they remain in one classroom all day in their regular schools. Though the language barrier may have posed an obstacle at first, the students enjoyed their stay in the United States and the entire Liberty High School student body enjoyed having them here.

# Activities Take Unexpected Turn

**Homecoming 1987** started out slowly and went out with a bang. From the beginning of the week students were upset with the designated dress-up days. However, by Wednesday the waning spirit had begun to increase once again. On Wednesday, surfers and Hawaiian fanatics did not abandon their shades in fear of the snowy skies; seniors unified themselves on Thursday by braving the cold and wearing togas; and Friday red and blue could not be avoided.

In fact, noteworthy displays of spirit were seen by **Corrine**

**Kozma, Keri Mellon, Bill Santoro, and Chrissy Jimenez**. From Monday to Friday spirit was seen through wacky costumes and increasing participation in the Homecoming activities that celebrated our 65th anniversary. Students from grades nine through twelve made cake floats and painted the front windows of the Commons Building proclaiming Liberty pride. On Thursday, the Homecoming dance was well attended. Topping off a night of fun and celebration for all, a shining **Jill Martin** was crowned the 1987 Homecoming Queen.

1. **Bryn Sayenga** strives for victory for the Junior class. 2. **Meg** and **Bill** during the announcement of homecoming queen. 3. **Jill Martin** escorted by **Mark Glenn** poses for a picture at the homecoming game. 4. A group of seniors show their school spirit on senior toga and hat day. 5. **Bill** and **Ozzie** take a victory lap during Battle of the Classes.

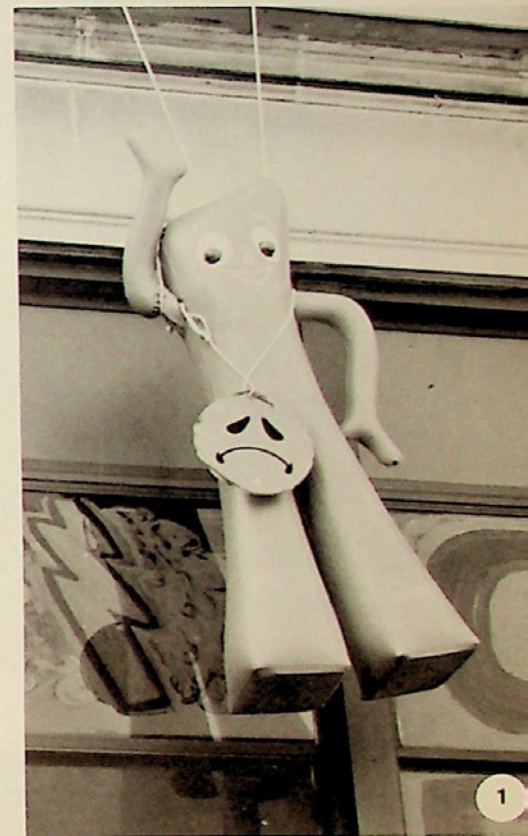

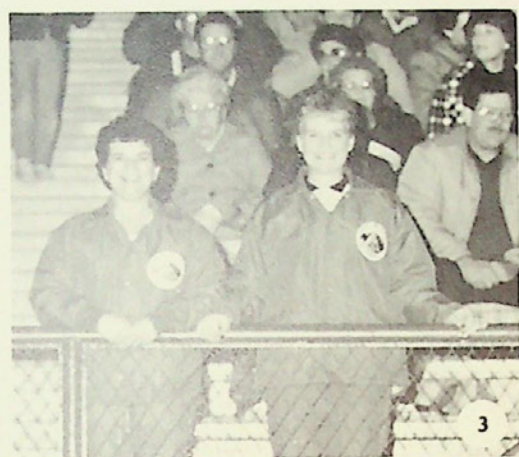

On Friday, Seniors were once again victorious in the Battle of the Classes, proving the overall strength and supremacy of the Class of 1988. The traditional "impartiality" of the student government-officer-umpires was, once again, exemplary of the senior class; "fairness."

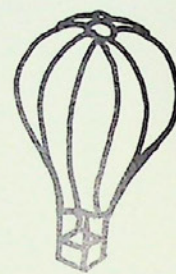

However, next came the big game. In the midst of the antics of several LHS students and what some have called "the Breakfast Club," spirit remained high in the hopes of a victory over Freedom. However, after the decision of Coach **Bob Hepler**, 22 varsity team members were prohib-

ited from playing. The reaction to the decision was mixed among the fans, players, and families. Many seniors felt victimized as it was their last game. Anger, surprise, and regret was felt in the stands as spectators watched the players participating lose to the dominant Freedom squad. The day's festivities celebrating **Liberty's 65th Anniversary** and the honoring of the three members of the Class of 1923 went severely dampened, as a result.

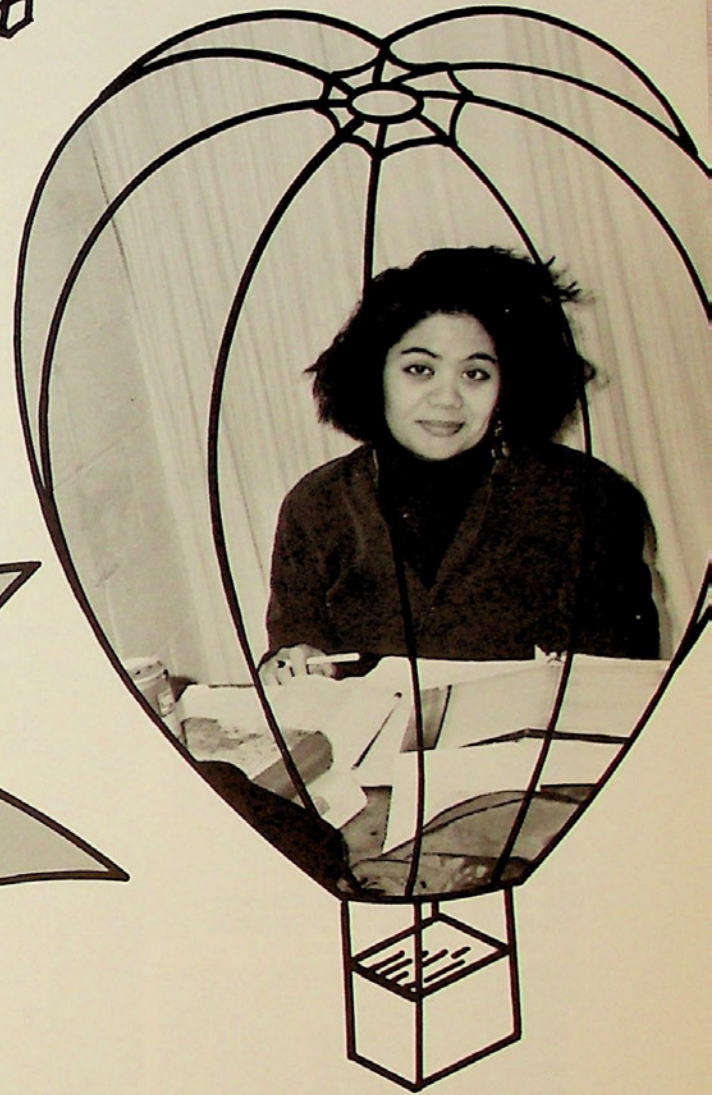

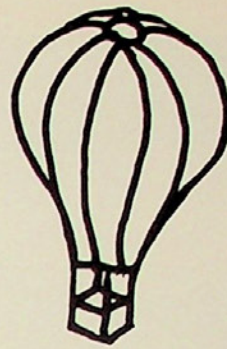

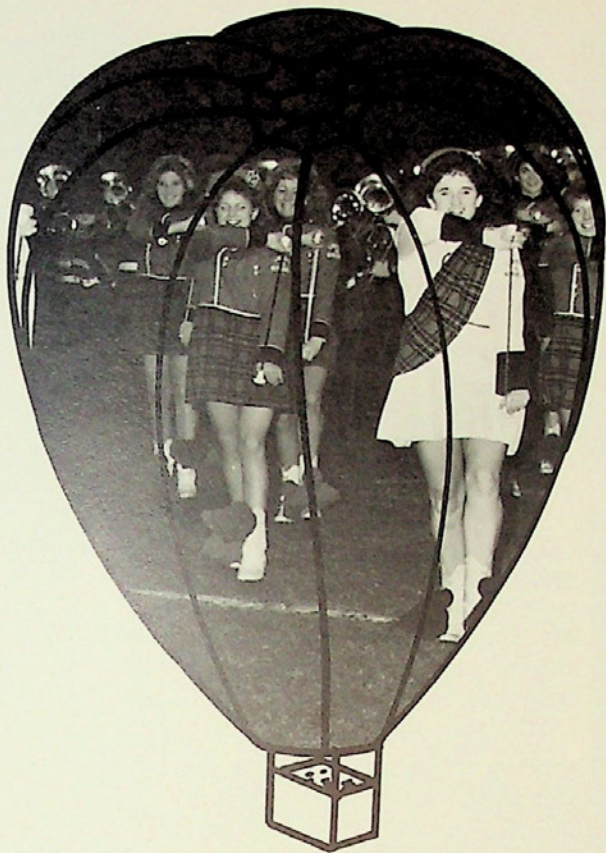

1. Gumby waves "Hi" to all of the Liberty fans. 2. **Lisa Horne** shows her L.H.S. pride. 3. Two Liberty H.S. moms prove that pride in L.H.S. is passed on to all generations. 4. **Donna Lerch** and **Terri Ann Petros** drag along an unwanted friend. 5. Seniors **Eric**, **Joanie**, and **Jamie** provide the school with a big laugh. 6. **Sophomores** are frantic in their quest for victory.

# Seen 'Em On The TV?

"Band is a unique experience which provides fun and musical growth for all its participants."

-No name

"Band means getting up early in the morning and marching in the mud."

-Jon Flesher

This year the Liberty High School Grenadier Band has become one of the best known bands in the United States. The Grenadier Band has displayed their many musical talents to their many faithful fans all year through. They performed in several parades, including the Bethlehem Halloween Parade, The Phillipsburg/Easton Parade, and the King Frost Parade in Hamberg, Pa., where they captured first place. They also performed in the ABC Thanksgiving Parade on Thanksgiving in Philadelphia. One of the most memorable

memories are of the band's trip to San Antonio, Texas. The Band competed in the Texas Festival Del Reo Sana.

Another treat the Band had was a visit by Captain Roger Swift, the director of the Coldstream Guard Band in London. He was a guest conductor at the L.H.S. Band Concert.

The Liberty High School Grenadier Band is directed by **Mr. Ronald Sherry** and is assisted by **Mr. William Rapp** and **Mr. Gregg McGill**. The Band had a grand total of 240 members which also includes the Colourguard and Majorettes.

## Those Marching Men

The fact that we participate in more field show competitions than the Band, and our shows are always of our own design, demonstrates that while we are a part of the Band, we are also our own unit.

**Mark Glenn**

As the front for the Liberty High School Grenadier Band, the Color Guard creates a colorful military impression. Aside from leading the band in parades, the guard competes with other guard units throughout the year. This year the Guard will travel throughout the mid-Atlantic area, competing in two Winter Guard International Championships in Dayton, Ohio. While in compe-

tion, precise marching maneuvers enable the Guard to create a strong visual interpretation of a taped musical program.

With the help of captain **Mark Glenn**, Lieutenant **Eric Deutsch** and Lieutenant **Jim Rapasch**, the 1987-1988 Color Guard brought Liberty prestige and has the honor of being one of the two best all-male guards in the country.

# A Twirl And A Bow

Majorettes is a wonderful, rewarding experience, full of memories that will remain with us for the rest of our lives.

**Renee Kapsalis**

The Liberty High School Twirlers demonstrated once again that they are an essential unit of the Grenadier Band. The twirlers were seen leading the Grenadiers not only in the traditional, and award winning Halloween Parade, but the twirlers heralded the way for the Grenadiers on national television during the Thanksgiving Day Parade, and during the competitions in Texas.

The 1987-88 Majorette squad was guided to success under the tutelage of Ronald Sherry, with the cooperation and skill of **Denise Young**, head majorette; **Kerri Mellon**, first co-head; and **Tara Abruzzese**, second co-head. Under their leadership the squad convened early in the morning to work and re-work the intricate and precise movements that characterize the twirler performances. This practice pays off in obvious ways, during football pre and half game shows, basketball half game shows, and any other events in which the majorettes were called upon to perform.

In all the twirlers not only pleased the crowds with their precise movements, they added a friendly and hospitable atmosphere to the Grenadier Band.

## KILTS AND SKIRLS

The Liberty High School bagpipe corps has added a Scottish flair to the Grenadier Band for over twenty years, and this tradition is still going on strong. They performed during field shows, band concerts, and represented the Grenadier Band on many special occasions. This past year, the pipe corps performed for the Post Master General, Robert Tisch, at the George Washington Motor Lodge.

This year's pipe corps was under the leadership of Pipe Major **Mark Phillips** and Pipe Sergeant **Peter Spillman**. Both were assisted by Drum Major **Mathew Chris-**

**tiansen.** In addition, the Pipe Major and Pipe Sergeant also accompanied the Highland dancers during their performances. Along with adding a unique touch to the Band, and being the only High School pipe corps in the state of Pennsylvania, each piper brought his own special touch to the corps.

The 1987-88 bagpipe corps consisted of **Dave Werkheiser, Drew Snyder, Michael Sheal, Michael Mattie, Brian Slach, Phillip Marshall, Andy Kovalchik, Darlan Botts, Roger Lehmen, Clint Kehley, Joshua Drake, Beth Ritter, and Tammy Munn.**

## Bonnie Lasses

The Highland Dancers added Scottish flavor to the Grenadier Band by performing to various Scottish folk songs. The dancers were accompanied by Pipe Major **Mark Phillips** and Pipe Sergeant **Peter Spillman**. The dancers performed to three sets: the first set including **The Piper of Drummond** and **Lauden's Bonny Woods and Braes**; the second, **The Devil in the Kitchen** and **The Balnoraie Castle**. The traditional sword dance was performed to **Chilli Calum**. Several hours of hard work have gone into performing this art because

every step has special meaning. This year, the Highland Dancers performed for the Post Master General, Robert Tisch, at the George Washington Motor Lodge. They have also entertained many people during the annual Band concert and various community activities.

The 1987-1988 Dancers consisted of eight majorettes. **Corinne Kozma** performed the position of principle dancer. Other dancers were **Vicky Gaydos**, **Renee Kapsalis**, **Tracy Kave**, **Stephanie Palumbo**, **Denise Young**, **Tara Abruzzesse**, and **Stephanie Burns**.

People don't seem to take the Highland Dancers seriously, but we work hard, and are proud of what we do.

Membership in this elite organization is attained by audition. Director **Greg MacGill** accepted about 6 saxes, 5 trombones, 5 trumpets, 2 drums, a guitar, and a bass. This year the soloists were **Dave Scholl**, trumpet; **Michael Shea**, a four-year veteran bassist; **Frank Favata**, percussion; **Brian Bloch**, percussion; and **Dan Jeni**, another four-year veteran saxophonist.

All these things the Stage Band has.  
Michael Shea

## The Jazz Zone

The Stage Band, as told to us by the illustrious **Mike Shea**, provided a creative outlet for jazz musicians, giving them an opportunity to play for the community. Stage Band members participated in Jazz festivals or interscholastic stage

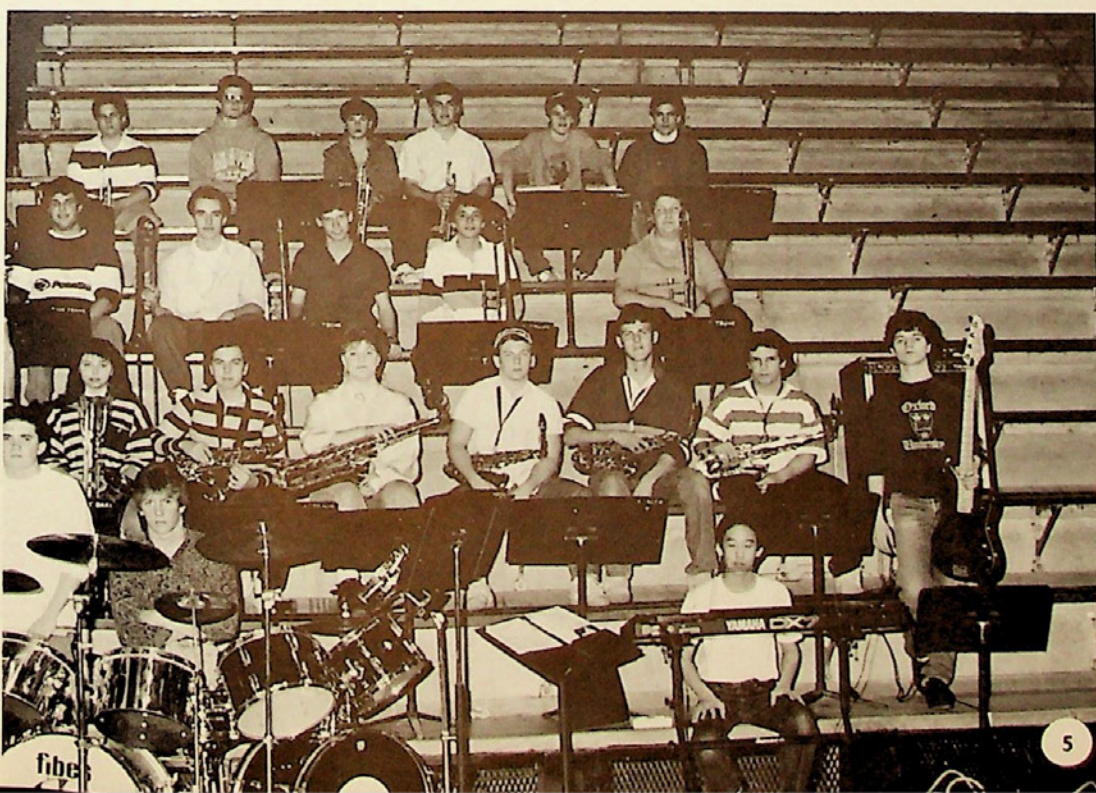

band competitions-usually on Friday Nights. They also travel to elementary schools to perform, again quoting Mike, "for the little monsters". In April, the Stage Band hosted their own annual Jazz Festival.

contrary to one's first impression, are not smoking something illegal, they are really just playing the bassoon.

Not just Band can satisfy the average high school musician. That is why we have the very talented and unique Orchestra. This is what soothes the savage beast.

**Jon Flesher**

## People In The Pit

The Liberty Orchestra was made up of many talented individuals. With **Mr. Ronald Sherry** as conductor, the group, which consisted approximately of 85 members, displayed its talents throughout the year.

This year the orchestra performed with the Choraliers in the Vespers concert. In addition, they also performed joint Spring concerts with Southern Lehigh's Orchestra bringing the students of the two schools closer together. Performing at the graduation ceremonies in June was also on the Orches-

tra's list of events.

This year the officers of the orchestra had many plans. Besides the annual Christmas party the officers had many new ideas for activities to interest members. The officers of the 1987-1988 orchestra were **Jessica Hoos**, president and **Allison Silhanek**, vice president. A new edition to orchestra government was the senate made up of **Phil Marshall**, **Patty Trala**, and **Mary Yankovich**. The Orchestra is a major contributor to the arts department of Liberty thanks to the efforts of students.

# Voices In Harmony

This year the musical Choraliers were under the direction of **Mrs. Nancy Shumaker**. This very talented, well-rounded group of individuals provided the school and community with their singing talents.

The Choraliers once again proved their ability to sing by putting on the Christmas Concert (formerly Vespers) and the Spring Concert as successfully as in past years. The Choraliers also took on a fresh, updated look with their new attire.

To be a part of Choraliers, prospective members were required to try out. Trying out,

however, was not the sole requirement. The greatest requirement for membership is the love of singing.

Hard work paid off for the few Choraliers that participated in District and County Chorus. **Jody Carpenter** and **Jonathan Fiest** represented Liberty in District Chorus, and **Laura Weiner, Donna Miller, Maria Roe, Wendy Borst, Tom Braun, Keith Snyder** and Shawn Yocum sang with the County Chorus.

Another addition this year was the Liberty Chamber Singers. The newest group was a select few of the Choraliers.

Where else could you get fun and frolic combined with the harmonies of music and the do da's of life and still have time to visit Jamaica? Choraliers--where Mrs. Shumaker says "Into each life a little rain must fall, and I'm your thunderstorm." "Nooooo Problem"

and Spring concerts. Some songs were sung exclusively by Ensemble and some were sung in combination with the Choraliers to produce two very well-rounded shows. The Ensemble has also shown off its singing talents in the community.

## Music Brought To Life

The cooperation and unity found in the Christmas Concert truly embodied the meaning of the Holiday Spirit. Hearing the music of the Choraliers and Orchestra and seeing that music brought to life in the tableau was a beautiful experience.

**Ellen Pippis**

"Oh little town of Bethlehem, how still we see thee lie. Above the deep and dreamless sleep, the silent stars go by." The voices of the Choraliers and Girls' Ensemble joined together to ring in the holiday season. Under the direction of **Mrs. Nancy Shumaker** and **Mr. Ron Sherry**, the Liberty Orchestra and Choruses combined once again to produce a concert celebrating the Christmas Season. The newly dubbed "Christmas Concert" was giv-

en on December 12th and 14th. A revamped tableau depicting the manger scene was organized and produced by **Mr. L. Perret**. Complete with processing Magi, played by **Drew Snyder**, **Dominique Bergmann**, and **Peter Spillman**, two angels, shepherds, Joseph (**Jon Flesher**) and the Virgin Mary, depicted by **Sarah Gaughran**, the complete tableau added a special touch to the concert.

## Change Of Direction

This year not only saw a change literally in direction (**Kehler** returned to direct this musical) but a change in the atmosphere — i.e. moved away from the intense drama of "Jesus Christ Superstar" and "Oedipus" and settled into more light-hearted fare.

anonymous

Stage Crew-You know those guys up in the rafters.

**Phil Marshall**

This year the combined efforts of **Mr. Kehler** and **Mrs. Berkenstock** replaced the usual direction of **Mr. Perrett** in leading the annual drama production. With the new direction also came a new atmosphere, the light-hearted musical "Oklahoma!", a quick paced play about the settlers in Oklahoma just before it became a state, replaced the darker theater of previous years. In spite of the change, the production embodied the enthusiasm and energy that are characteristic of Liberty theater productions. The leads were **Todd Cage**, **Maria Roe**, and **Emily Whitcomb** in addition to a full cast of "farmers and cowmen".

Behind the scenes, as al-

ways, the devoted Stage Crew plugged away working to make all of the backstage factors that are so vital to any production happen. Stage Crew members were **Mark Phillips**, who lead the way coordinating Stage Crew activities, **Mike Shea**, a plus wherever he is found, **Phil Marshall**, also devoted to the Stage Crewing arts, and **Dave Scholl**. The Stage Crew, however, did not only make "Oklahoma!" swing, but they worked year round for all functions that required the use of the auditorium.

All in all the dramatics and the Stage Crew added a flavor to the LHS atmosphere that would be sorely missed.

# LHS' Creative Soul

"*Young Writer* has gotten this reputation as an artsy-fartsy magazine for snobs. I'd like to see that change. The works — be they poems or photos or stories or drawings — are universal .... Being in an organization that creates and discovers such art ... is tremendous."

— **Dominique Bergmann**

This year the staff of the *Young Writer* magazine showed its literary and artistic excellence. This year's staff was very active and received more prestige than in previous years.

*Young Writer* serves as a way for the students to express themselves in an artistic manner. It also gives them a chance to display their work in and out of school. This unique group's only requirement is an interest in writing and art.

This year the *Young Writer* magazine participated in many literary contests. The an-

nual PA literary magazine contest was just one of many. The *Young Writer* staff also holds a contest in which art and literature, submitted by students of Liberty High School, was judged. The winner's work appeared in the magazine.

The *Young Writer* staff was under the dedicated supervision of **Mrs. Joyce Berkenstock** and **Mr. Sam Creyer**. The editors were: **Jamie Oberman**, Editor-in-chief; **Sue Kovatch**, Arts editor; **Kris Hudak**, Literary editor; **Kerry Smith**, Financial editor.

# Controversy Anyone?

"We love a scandal and love being in turmoil - so far we've been lucky."

-**Doug Whetmore** and **Mike Dimler**

"We have cooperation but also our share of controversy. Witness the ongoing battle between **Mike Dimler**, the columnist, and **Sarah Gaughran**, the non-passive resistor, in the political editorial section."

-**Jamie Oberman**

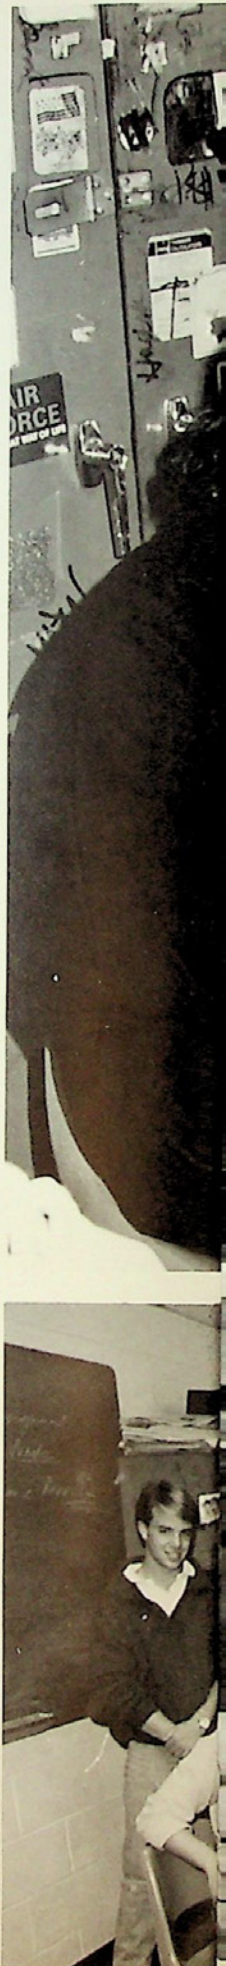

Once again *Liberty Life* has had its hand on the thriving pulse of Liberty High School's 87-88 school year. With articles from field hockey games to controversial political commentaries, the paper rounded out its repertoire. *Liberty Life* captured the attention of almost every student and faculty member of Liberty High School. In November, *Liberty Life* once again participated in the Pennsylvania Scholastic Press Association contest in which it had previously been the recipient of many awards. Participation in the Pennsylvania Scholastic Press Association

has earned *Liberty Life* the reputation of an outstanding journalistic publication. While there are no special requirements to belong to the newspaper staff, one must have an active interest in journalism. It is evident that the entire staff this year's newspaper. **Michael Dimler** was this year's Editor-in-Chief, **Tracey Weber** was News Editor, **Kris Hudak** was Feature Editor, and **Lauren Conca** rounded out the editing staff as Advertising Editor. The entire *Liberty Life* organization was, as usual, guided by its dedicated advisor Mr. Hudak.

## A Year Of Revision

"The combination of excitement, mass confusion, deadlines, hot tempers, anarchy, friendship, laughter, and Liberty memories all existing to compile and produce our one treasured and cherished high school yearbook."

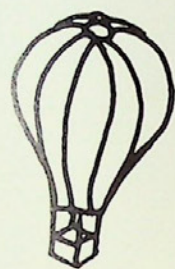

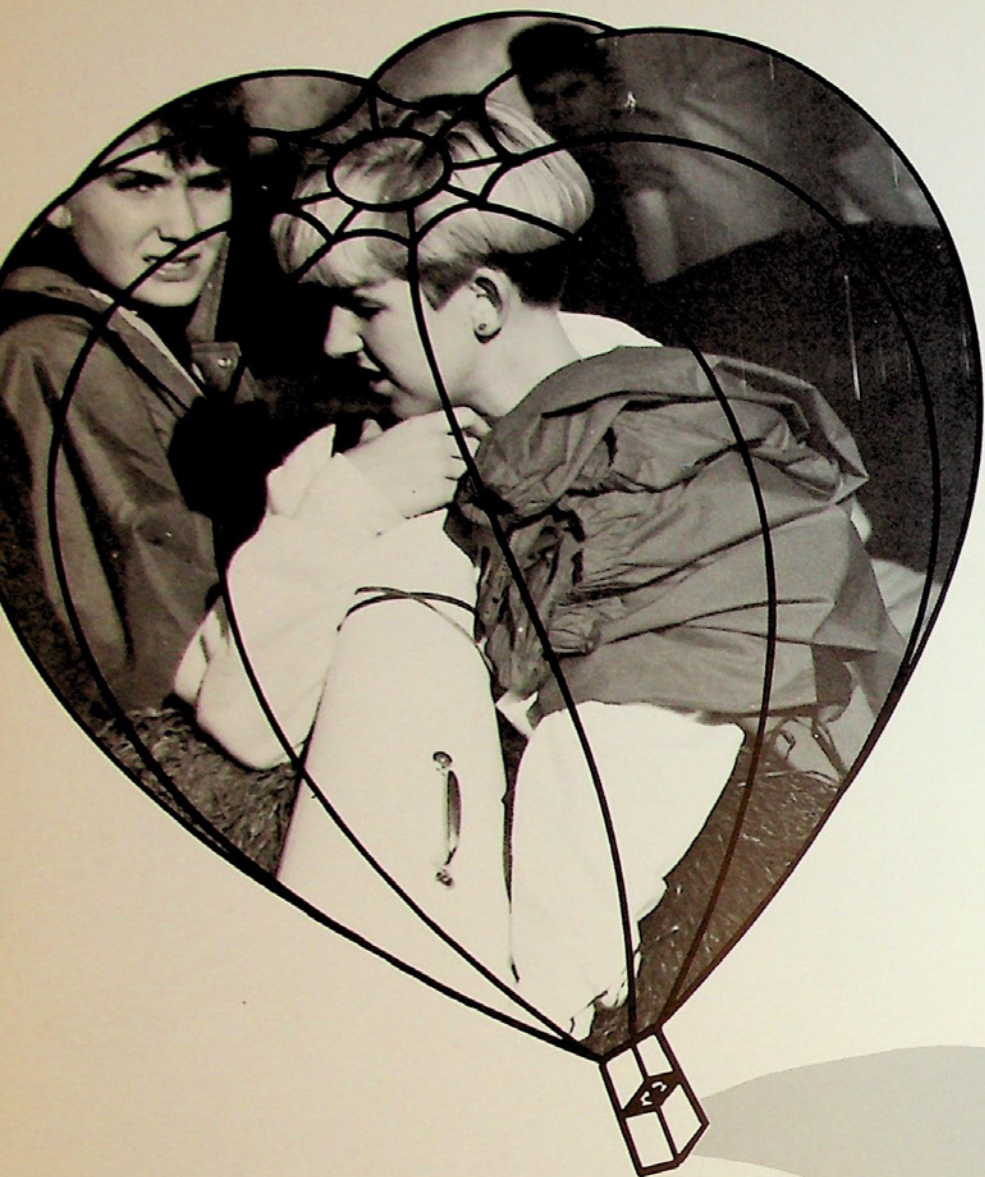

**Mary Yankovich**  
and **Phil Marshall**

As always, this year's *Cauldron* staff was hard at work capturing and preserving the memories of a year at Liberty High School. Various new twists were added to the yearbook saga this year. As was agreed upon four years ago, the yearbook was expanded to incorporate all classes, deviating from the traditional emphasis on seniors. Purchasing of the yearbook was also altered from the usual payment through class dues. Instead, seniors, along with the underclassmen, purchased their yearbooks straight from the yearbook staff. While diligently working on the yearbook, the staff also found time to sell its famous Homecoming shirt.

Membership on the *Cauldron* staff did not require any skills which could not be learned; it did however, require perseverance, dedication, and a lot of hard work. This resulted in the production of a yearbook that represented the spirit of a year at Liberty High School. **Patty Trala** lead the *Cauldron* Staff as Editor-in-Chief, while **Sue Little**, Lay-Out Editor; **Jamie Oberman**, Activities Editor; **Sarah Gaughran**, Arts Editor; **Eleni Pippis**, Underclassmen Editor; **Donna Miller**, Senior and Faculty Editor; and **Phil Marshall**, the notorious Sports Editor, piloted their staffs to create a yearbook that everyone can be proud of.

# Gridders Fall Short Of Potential

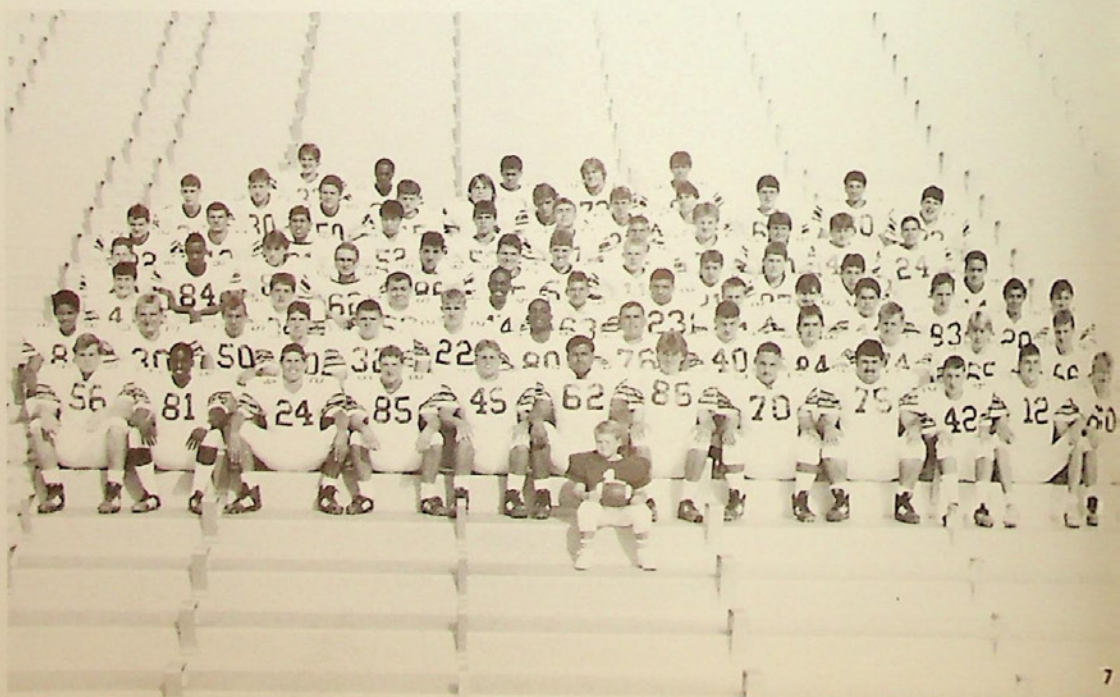

Each year students, faculty and alumni alike await football season. The roar of the crowds, the halftime show, the agony of defeat as well as the glory of victory is what brings the Hurricane community together. This year's season was definitely one not many will forget. The team's head coach **Robert Hepler** along with the other coaches kept the spirit flowing even through the trying times of their fluctuating season. In preparation for the upcoming games the team as a whole practiced long hours during August and continued through early November.

This year's Varsity Football Team had many talented athletes who were recognized for their accomplishments. They were led by team tri-captains **Felix Pastor, Martin Zug** and **Lance Marabito**. They showed great leadership through the many hardships of the season on and off the field. Along with them were a host of seniors who along with some promising juniors and sophomores tried to keep the spirit alive.

The juniors and sophomores now have experience and are looking forward to a promising season next year.

# JV And Freshman Develop Through Season

This season both the Junior Varsity and Freshman Football teams showed great enthusiasm and perseverance. The Freshman, headed by **Coach Ascani**, led these future varsity gridders through an exciting season. Their best game was against Freedom High School, who they blew off the scoreboard with a 25-6 score. This year the captains were **Jim Guzzo** and **Chris McGraw**. Their overall record for the season was 7-3-0.

As for the Junior Varsity, they closed one of their best seasons ever after beating Freedom as well. Headed by **Coach Miller**, **Coach Redding**, and **Coach Nork**, these students are all looking forward to playing on the next year's varsity squad. Their overall record for the season was 4-5-1.

# Varsity Soccer Plays An Unusual Season

This year's Varsity Soccer team finished the year with a successful and not so successful season, compiling stats of 8 wins, 4 losses, and 6 ties. Headed by **Coach Karl Sarkosy**, the coach started his Hurricane squad off with a blast by defeating Northampton by a score of 9-1. Unfortunately, the team missed the District 11 Playoffs by just a few games. The soccer team was lead this year by Co-Captains, **Seniors Pete Vallanatos** and **Julian Weurth**.

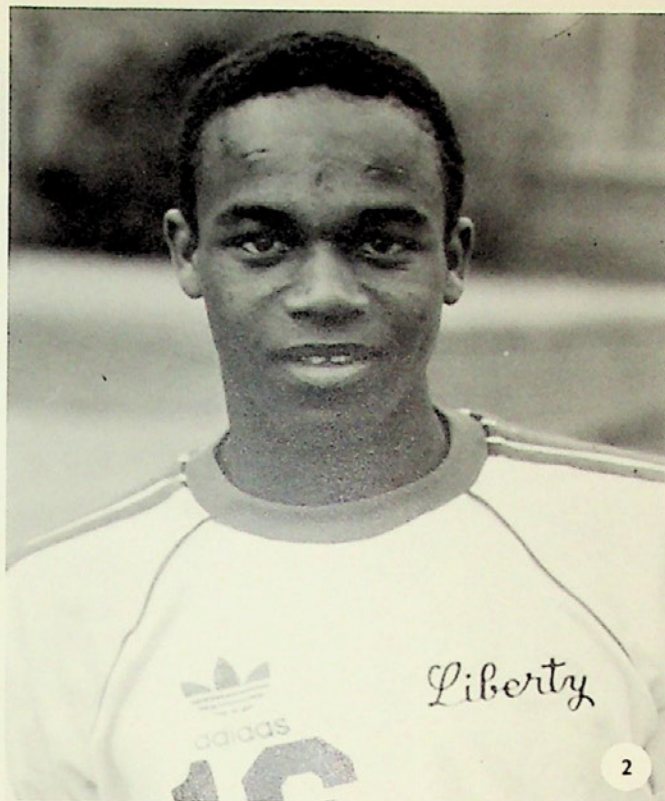

The team also had a year of disappointments. Having a record (overall) that consisted of 6 ties put these fine young athletes out of the playoffs. This was the first year of the last ten years that the mighty Hurricanes has fallen short of this honor. Although this was unfortunate, the team's spirits and enthusiasm never failed, and their willingness to learn and do better in every aspect of their games never died once. On the lighter side of things, there were two girls that were on the 17 member team. These girls were **Seniors, Amy Whitcomb** and **Jeanne Allegra**, who have play diligently for the past four years. **Ozzie Nembhardt** had the honor of being the only Hurricane to play in the East Penn League All-Star Game.

## JV Squad Readies For The Challenge

The Liberty High School Junior Varsity Soccer Team, under the direction of Coach Leo Schnalzer, had an overall very good season, despite their first loss to crosstown rival, Freedom High School, by a score of 9-1. Their favorable record shows a promising preview of what next year's Varsity Team has in store for other teams. Their aspiring young attitude and will to succeed in all aspects of the game is definitely helpful in having another winning season at a higher level of playing-The Varsity Level. The final account of the Junior Varsity Record, 9 wins and 5 losses, was more than flattering to some of the older players who helped to lead this team to an advanced record over last year.

The team, composed of mostly Freshmen and Sophomores, and some Juniors, fought hard in every game, and with the guidance of **Coach Schnalzer**, **Coach Guidon**, and **Coach Rodenbach**, these young men learned various skills and techniques needed to play the type of soccer found at Liberty. To add to their deadly repertoire, we look forward to the future of the JV's. They have seen the struggle and know how to help and contribute and strengthen the Varsity team.

## Duffers Swing Into Action

The 1987-88 Golf Team was under the direction once again of **Mr. Charles Peters**. This year there was a composition of eight underclassmen and only three seniors as well. **Senior Co-Captains Jim Repasch** and **Jeff Little** lead the team with the winning spirit they had acquired over their years on the golf team. For the duration of the season the team members practiced hard and diligently, faring pretty well in the match against Freedom High School. Their record for the overall season was two wins and six losses, but even after that their spirit never let up and the drive needed to win was never put down. A junior member on the team, **Clarke Sawyers**, was the only member on the team that had the honor of being the only one on the team to score a hole in one.

## Spikers Build For The Future

The Liberty High School Girls' Volleyball Team had a good "Rebuilding" year. After losing four starters from last year, Seniors **Miki Brown**, **Amy Rogers**, and **Kristen Zambo** helped revive the the team's younger players to finish with a final record of 10 wins and 8 losses with a suprising five game winning streak to boot.

With their coach, **Mr. Larry Deutsch**, the girls had a good season. Two of their players made second team All-League, and **Amy Rogers** and **Kim Lobach** represented us well. They have proven that hard work and determination does pay off.

All in all, The Lady Canes made a good effort to rebuild and strengthen the team for years to come. With alot of hard drive they usually have, the team will, even with the loss of all their senior players, be back to their top strength as always.

# Stickers Gain Enthusiastic Support

Although the **1987 Varsity Field Hockey** team's official record shows no victories, it does not reflect the constant improvement the members made through hard work and determination. With each successive game, the girls showed remarkable progress. Highlights of the season were goals scored by **Terriane Petros**, and Captains **Jill Martin** and **Mary Yanovich**. Seniors **Mary Kovalchick**, **Jill Martin**, and **Mary Yanovich** were chosen to represent the 'Canes in the EPC Field Hockey All-Star Team.

This year, there was much more support for the girls in the form of some faithful fans and a group of male cheerleaders dubbed the **"Athletic Supporters"**. These guys added to the general positive attitude which was characteristic of the Liberty team while **Coach Geiger** played a large part in the building of enthusiasm, sportsmanship, and skills of the girls.

The JV Team, which displayed a lot of school spirit and dedication, looked very promising. While the JV Canes did not win a game, they did score and held their opponents to a minimum of goals. Coach **Martin Romeril** was very pleased with the JV team's progress and is optimistic about the future.

# Netters Ace Winning Season

The **1987-88 Girls' Tennis Team** ended the season with a league record of 8 wins, and 3 losses. Their overall record was 9 wins and 3 losses. The team finished fourth in the East Penn League.

The District 11 Tournament for Doubles included such members as number one seated **Kori Rij** and **Brynn Sayenga** (7-0) and number two seated **Kerry Richardson** and **Jenifer Lowman** (8-3). **Kori Rij** and **Brynn Sayenga** also went onto States to represent the Canes. They ended their year by placing second in the District 11 Competition. In the East Penn Tournament, number two seated **Lowman** and **Richardson** made it to the semifinals.

Not only did they do well as a team, but as well in individual competition. **Brynn Sayenga** had never lost a regular season doubles match. In a two year period her record stood at 18 wins and 0 losses. **Brynn** was number two in singles with a record of 7-4.

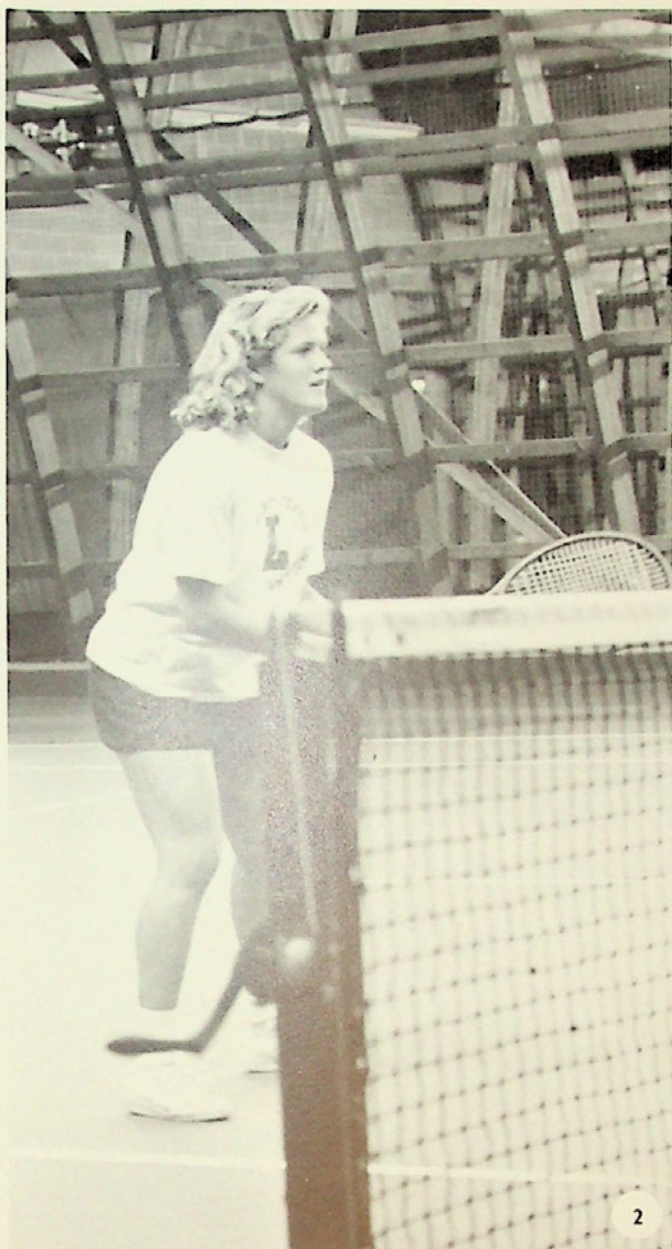

In the District 11 Tournament, the entries for singles were number one. **Kori Rij**, number six seated in tournaments, who went to the third round (**Top 8**). **Brynn Sayenga** went to the Second round (**Top 16**).

# Liberty "Runs Fast And Deep"

The **1987 Liberty High School Cross Country** team had a year to remember. The team began training in August with new and dedicated coaches and a large group of determined team members. With the help of **Coach William Ruth** and his assistant **Jack Wittenberger**, both the girls' and the boys' teams had exciting and very competitive year.

The boys' team was very successful under the leadership of senior **William Woodring** and junior **Mario Traca**. The two led the team into victory with only two losses. They placed well at both the district eleven meet and the league meet enabling them to go on to state level competitions.

The girls' team under the leadership of junior **Anne Van Doren** had many obstacles to overcome. With **Anne** injured and unable to run, the team, made up mostly of newcomers, had to strive but showed great promise for the year to come. They showed sportsmanship, teamwork, and the drive needed to win. With only one graduating member, **Joanne Kline**, the team will be prepared next year to have a winning season although losing a top runner. They also competed in District Eleven meet along with the league meet and faired well in both.

# Hoop Girls Signify The Spirit Of Liberty

The Liberty High School Hoop Girls has been a major source of team spirit for the 1987-88 school year. Under the direction of **Mrs. Karen Broughal**, the Hoop Girls were successful in aiding school spirit by decorating the houses and lockers for the football team and soccer team.

Hoop Girl **Captain Jen Snyder** and **Co-Captain Kathy Mudri** helped organize events and showed qualities of responsibilities of true leaders and, of course, lots of school spirit.

Each member worked together to aid and help benefit the organization by showing their spirit and togetherness in everything they did. These girls showed what Liberty High School Spirit and enthusiasm is all about throughout the course of the year. They all spent countless hours together making signs and banners hung at all games to psych the players up and to boost the crowd's support. As the homecoming week came upon us, the Girls gave their all to painting and decorating the school and houses of the players to give them that extra life. The Liberty High School Hoop Girls are an important part of our school enthusiasm.

# Spirit At Its Height

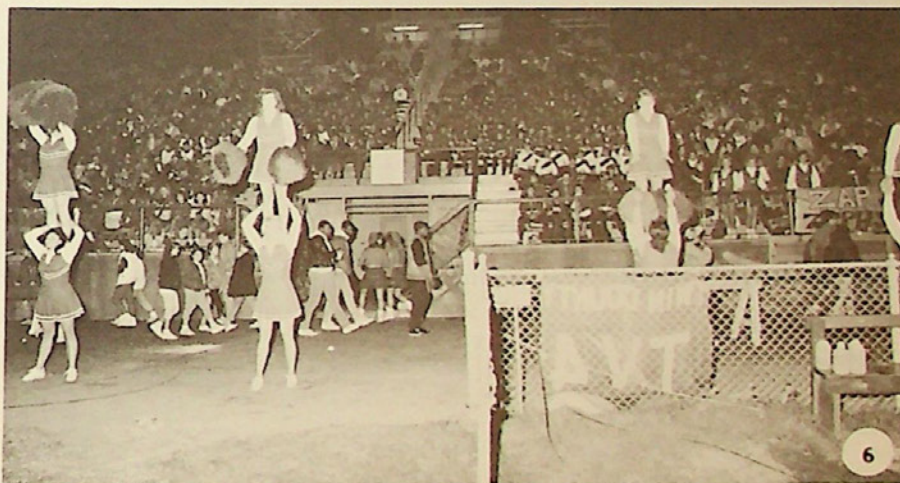

What is Liberty's athletics without the enthusiastic spirit and support of their most loyal fans — The Liberty Cheerleaders? Not only cheering at sporting events, these young ladies cheered at pep rallies and helped decorate our athletes' homes. Beginning with practices in the summer, the Varsity girls started cheering for the football team and moved into the wrestling and basketball seasons. They psyched up the crowd and not once did their cheerful spirits die. Not only cheering in all weather conditions with such a rugged schedule, they also showed how versatile they can be in teaming up with the Hoop Girls and Majorettes in winning the annual Powder Puff football game against the Freedom girls. These are just a few reasons why the varsity cheerleaders should be recognized. During the school year, the cheerleaders hung signs showing their spirit around the hallways to promote awareness of athletic events and to have our team mentally ready. Co-Captains **Jeanine Taylor** and **Meg Oberman** did more than an excellent job in leading this group of sixteen. They maintained the high level of spirit and kept this group together. **Michelle Stein**, the girls' advisor, did a fine job working with the varsity squad getting them ready for any upcoming events. Most of all, the cheerleaders have shown an excess amount of school spirit and for this, they should all be commended.

# Preparing For The Spotlight

The Junior Varsity and Freshman Cheerleading squads are best described as being enthusiastic to perform for all occasions and in any conditions, but just as eager to learn. First off, **Amy Laubach** and **Leslie Reiley**, the Co-Captains, did a fine job of setting up the practices and cheering at all JV games. Their spirits were elevated and the JV squad showed just how to excite the crowd at halftime with their shows. Unfortunately, there was little turnout for these fine young ladies. The group consisted of eight sophomores and juniors.

As for the Freshmen Cheering squad, headed by their Co-Captains **Rosemary Horvath** and **Lori Petrus**, put very long hours in after school and in the summer to develop their talents and put all their skills to work. Since all these girls were from different middle schools, they blended together and all showed their winning LHS spirit.

The **JV Cheerleaders** take time out to smile for the camera. 2. **Shelly Elkins** warms up before cheering for a game. 3. **Wendy Unger** and **Mindy Heckenberger** cheer the team on. 4. **The 1987-88 LHS JV Cheerleading Squad: Row 1 (l-r) Lisa Campbell, Jen Sarek, Leslie Reiley (Co-Captain), Michelle Matla, Kristen Pleschi, Mindy Heckenberger, Shelly Elkins, and Wendy Unger. # Varsity Grapplers Grow Through Season

This years' 1987-88 **LHS Varsity Hurricane Wrestling Team** season was a season for the teams' grapplers to achieve not only team goals, but personal goals as well. Being coached once again this year by **Mr. Frank Guterrez** and assisted by **Mr. John Maldonado** and **Mr. Ernie Martinez**, the team had an overall winning record consisting of 10 wins and 6 losses. Many achievements were made by certain outstanding team individuals, such as **Pat Tocci**, wrestling at 112 lbs., **Mike Evans**, wrestling at 132 lbs., and **Lance Morabito**, wrestling at 185 lbs. They all happened to finish first in the BASD Wrestling Tournament. **Brian Cuddy** and **Eddie Kassis** finished second in the tournament and **Bill Alexander** finished fourth. This year the enthusiastic grapplers were lead by Co-Captains senior **Lance Morabito** and junior **Pat Tocci**. The managers of the team, **Keri Mellon**, **Michelle Fenstermacher**, **Michelle Laber**, and **Mel Youwakim**, did an excellent job in handling all of the equipment and being there when needed. **Pat Tocci** placed eighth and **Lance Morabito** took fifth in the State Competition.

# Young Grapplers Grow Through Season

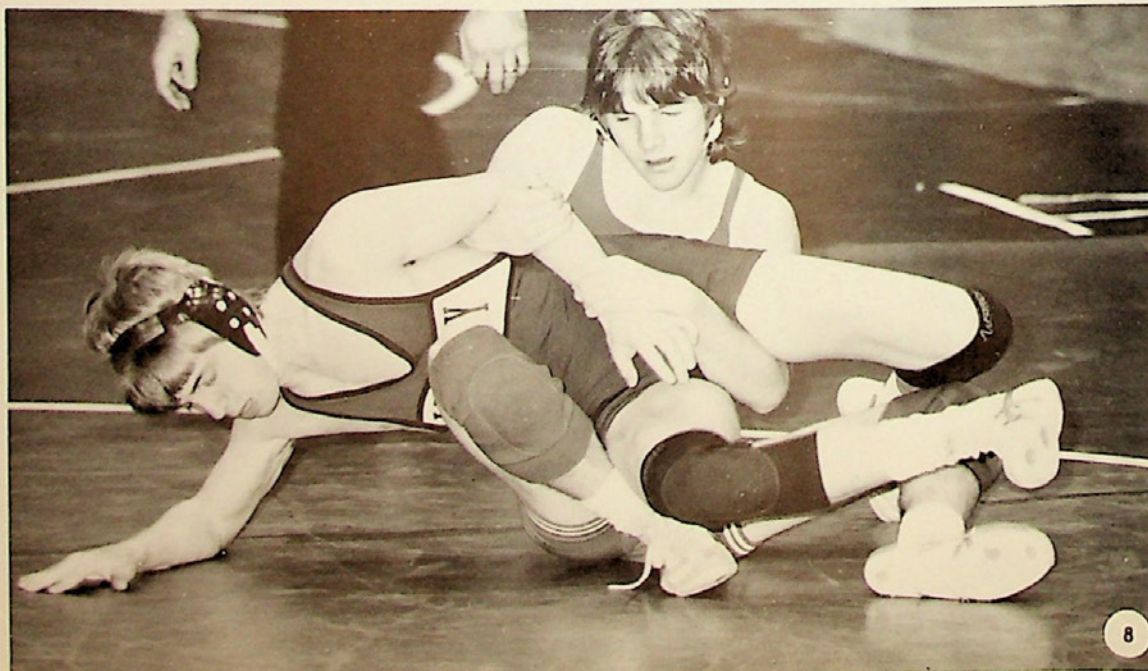

The 1987-88 **Junior Varsity Wrestling** team had a competitive season. They ended the season with a winning record of 7 wins and 6 losses. The team worked hard for many hours to achieve their personal goals as well as their team goals. They showed a great amount of team spirit and also displayed much determination in all of their matches.

The Freshmen wrestling squad had a great season with 7 wins and 4 losses, as they were with a league record of 4 wins and 3 losses. The young grapplers showed a preview of the success to come in future years when they wrestle on the JV and Varsity squads. They all learned new techniques by practicing with the more experienced JV and Varsity teammates. Hopefully, all of these promising young wrestlers will have the ability to excel on the varsity teams in future years.

# A Year Of Rebuilding

The 1987-88 **Varsity Boys' Basketball** team had a hard year of transition and rebuilding. They played with a lot of inexperience but gained a lot, for they now have prepared a team of underclassmen which will bring a bright future to Liberty High Basketball. The goals for the basketball team were to work hard and improve, and if they would work hard to reach their potential good things would come in the future.

The team had many highlights throughout the season. They were invited to the Tip Off Classic at State College where they played the best teams from other parts of the state, like the defending state champions, York Catholic H.S., and finished the season by beating Freedom and Dieruff.

The key player this year was **Locke Jennings**, garnishing a host of awards throughout the season such as: All Tournament Team at State College, second team, EPL All Stars, Officials', Coaches' and the James Easton Award.

The team was coached by **Mr. Richard Wescoe** and **Mr. Steve Gabryluk** and was managed by Seniors **Holly Frey** and **Chris Jimenez**.

# Winning Season Heralds Future

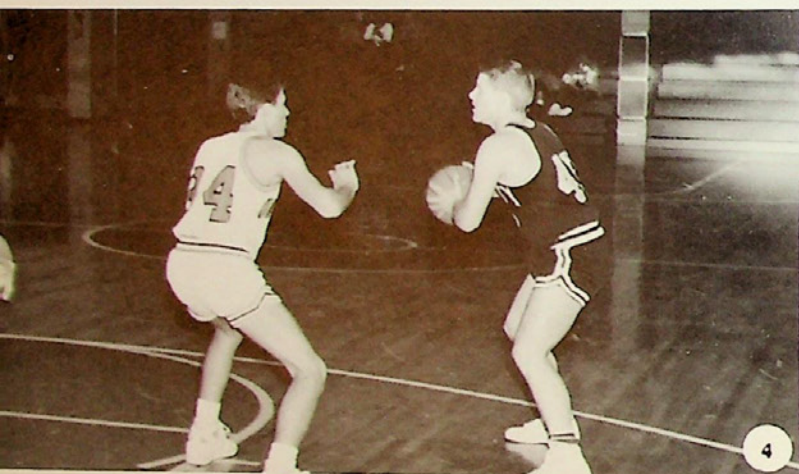

The 1987-88 **Junior Varsity Boys' Basketball** team had one of their best seasons ever. Playing to their fullest potential, the team ended the season with a record of 14 wins and 8 losses overall. This was, to the Coaches **Mr. Charles McGarvey** and **Mr. Bruce Sigmon**, truly a promising sign for next year.

Highlights of this year's season included an eight game winning streak, beating Becahi and Freedom to gain the city championship, and playing against York Catholic H.S. JV team who were State Champs. Many of the team's members made outstanding efforts, such as **Shawn Rebie**. **Shawn** received the coach's awards and was the team's MPV. Other outstanding players included **Judd Frank**, **Odus Carnes**, **Frank Frey**, and **Doug Brock**. The team could not have been complete without the help of the others players as well. Team managers were **Chris Henry**, **Tammy Munn**, **Athina Zervos**, and **Angela Quier**. The managers played an important role in providing much needed services for team members and coaches alike.

The 1987-88 **Freshmen Boys' Basketball** team had a very competitive season. The team played well, despite not having their two key players, **Deloyd Chapman** and **Brin Heslin**, who competed at the Varsity and Junior Varsity levels. The freshmen team finished with an overall record of seven wins and eleven losses in the league, but they achieved the title of "City Champs" by beating Becahi twice and Freedom once. The coach, **John Gallery**, felt that taking away two players and not counting wins and losses, the team had very successful season because of how much they improved. All the players were very instrumental throughout the whole season and tried very hard.

The team MVP Rookie Award went to **Chad Campbell**. The team's coach said that the team could not have survived by themselves without the care of their managers, **Holly Denota** and **Lisa Arnold**. The players on this year's Freshmen team will develop greater skills to help Liberty High School in later years when they play at higher levels of competition.

## Enthusiasm Stirred By Wins

This year's 1987-88 **Varsity Girls' Basketball Team** had another heartbreaking season in record, but not in their spirit, winning attitudes, and their extreme hard work and dedication to the sport they all love. These enthusiastic young female athletes had a record that stood at 3 wins and 15 losses. Although this may sound and seem depressing, the team had several good points to their season; for instance, they snapped a 58 consecutive losing streak over three years. As always, in any LHS basketball, there were some bright young stars, old and new; such as the case of senior **Amy Rogers**, who greatly contributed to the team's success. Fortunately, she was not all alone. Other star players included seniors **Holly Freidman**, **Erin Neff**, and **Natalie Lambert**. Young and up and coming basketball stars filled the line-up like juniors **Karen Sprecher** and **Amy Flinchbaugh**, not to mention sophomore **Bernadette Whitehurst** and **Kim Lobach**.

This year, the team was led and guided by, head coach **Mr. John Tone** and assistant coach **Mr. Peter Digiralamo**. They, along with the rest of the underclassmen teams, look forward to next year's season to see what the young JV and Freshmen female athletes hold ready to contribute to next year's Varsity squad. This is very sad to say, but most of this dedicated, enthusiastic team is made up of seniors.

## Headed For The Future

This year was a basketball season to learn and gain the knowledge needed to play on the Varsity and squad in future years for the **Junior Varsity** and **Freshmen Girls' Basketball** teams. The Junior Varsity squad had a record consisting of 2 wins and 20 losses. Being coached by **Mr. John Tone** and assisted by **Mr. Peter Digiralamo**, the team prepared for stepping up to play at a new Varsity level next year.

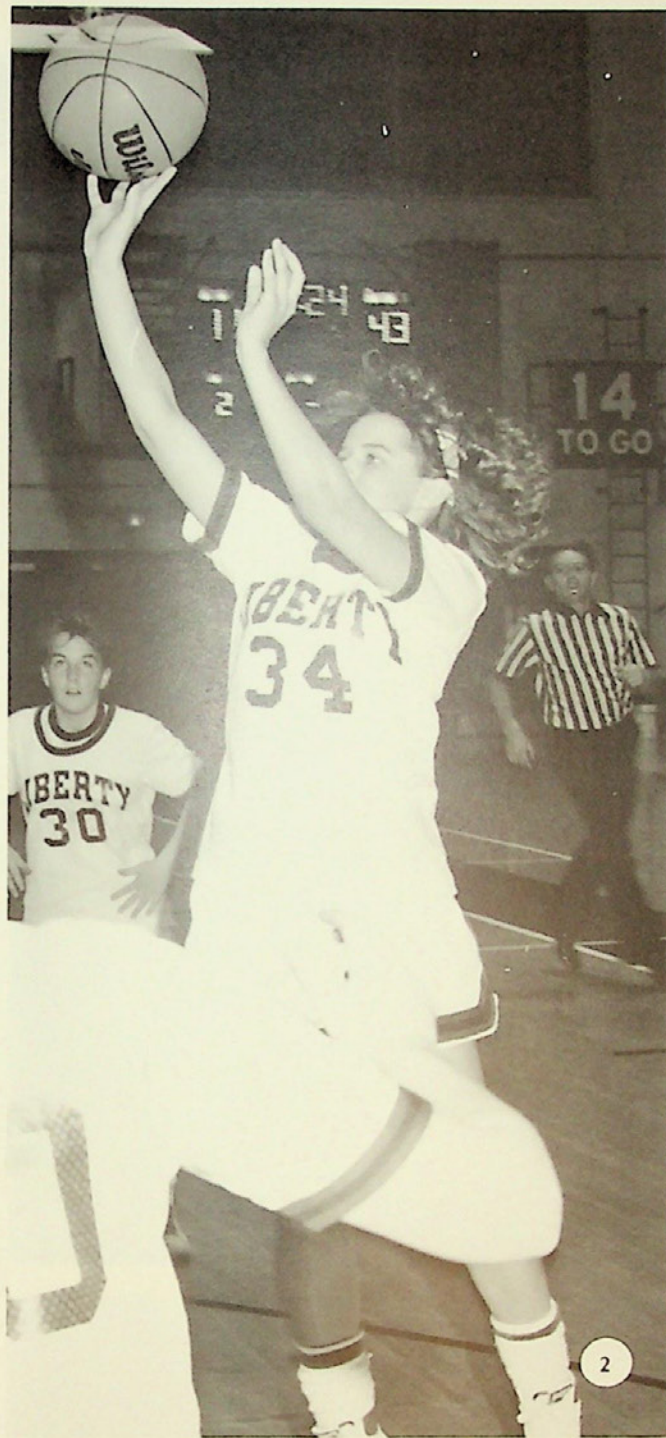

As for the Freshmen Girls' team, this was the first year in LHS Girls' Basketball history that Liberty has had a Freshmen squad. Although their record was 2 wins and 20 losses, the girls learned the value of teamwork and how to depend on each other as well. Also being coached by **Mr. Tone** and **Mr. Digiralamo**, the team promises to bring the winning spirit and dedication to maybe once again bring Liberty to a high quality contender. All of these Freshmen girls were brought together from each of their middle schools to blend together into one team. So, as a season recap overall, the JV and Freshmen girls did not have an outstanding season, but learned many skills that will help them in future years.

1. **Amy Rogers** shoots around all defenders. 2. **Karen Sprecher** executes a perfect jumper. 3. JV Team record. 4. **Kim Laubach** doesn't give up. 5. **Erlin Neff** grabs a rebound. 6. **Jen Smull** gets a pass. 7. **Coach** gives the Freshman girls the same strategy.

# Swim And Destroy

The 1987-88 swim team season was a challenging one for this year's girls' Swim team. Though they lost an excellent swimmer last year, the team proved that they were still a match for anyone.

With the energetic dedication of the underclassmen who made up a large part of the team and the skills and knowledge of the upperclassmen, the team had a strong and winning season.

The girls showed depth and vast amounts of support for their fellow teammates. This was in part due to the efforts of the Co-Captains **Joanie Kline** and **Jen Saraceno** and the efforts of Coach **Dave Seeloff** and Assistant **Kevin Sweeny**.

The girls worked hard and because of their efforts many had a chance to compete in District 11 Championships at Allen. **Joanie Kline** placed third in the 100 yard backstroke and was able to participate in the East Penn All Star League. **Brynn Sayenga** placed first in the 50 yard freestyle event and second in the 100 freestyle. Overall, the girls placed fifth out of the twelve competing teams.

Many team members reached their personal goals for the year. Showing impressive performances were **Jen Saraceno**, **Lynn Kauffman**, **Carrie Mattis**, **Jen Williams**, **Chris Petrizzi**, and **Becky Bergman**. Divers **Meg Phillips** and **Jen Ocwarek** both also had impressive seasons.

# Swim And Destroy

The 1987-88 **Boys' Swimming Team** ended their season with a very impressive showing at the District 11 Championships held at Allen High School in February. Team members bettered personal times throughout the season, and their overall record did not do justice to the amount of time and energy put into the personal and team efforts. The Boys' team was led by Senior Co-Captains **Jamie Oberman** and **Martin Zug**.

Junior **Michael Wisser** started Districts off with a bang by placing third in diving for the second year in a row. Mike qualified for and represented Liberty at the State Championships at Penn State University in March.

Seniors **Martin Zug** and **Jamie Oberman** both gave impressive showings at Districts. Zug swam the 50 freestyle, and placed seventh in 100 breaststroke. **Oberman** placed sixth in the 50 free, and seventh in 100 backstroke. Also in the 100 breaststroke, junior **Mike Wisser** was sixth and sophomore **Rob Wetmore** was fifth. **Oberman, Zug, Wetmore** and junior **Clarence Hirst** combined their talents to give Liberty fifth place in the 200 yard Medley relay. **Mike Kresge** and **Jeff Ruch** participated in the free-relay. The team placed a high ranking sixth overall in the District 11 Championships.

The team was under the tutelage of new coach **Dave Seeloff**. Assistant Coach was **Kevin Sweeny**. Team Managers were **Alicia Perrera** and **Ann Guimolibot**.

This year the Indoor Track team was full of determination. Under the supervision and guidance of Coach **Thomas Zelko**, the team successfully competed at each meet. The season consists of four meets with twenty team invitationals from the Eastern and Central areas of the state. Unfortunately, there is no team record of wins and losses to show for it.

Some of the boys who were outstanding speed runners included **Matt Sayenga**, who placed 6th in the State Indoor Track competition for the 60 yard hurdle, **Shawn Lightfoot**, who ran the 60 yard dash and also competed in the Long Jump, **Acey Johnson**, who competed well in the 600 yard dash, and **Bert Bailer**.

Girls who notably competed were **Amber Conrad**, and **Giana Angelo**, who both competed in the 300 yard dash, and **Jeanne Zilegra**.

Distance running was another important part of Indoor Track. **Mario Traca** lead the boys in the 2 mile run though Senior **Bill Woodring** and **Mike Kresge** also had an excellent season. **Jeanne Allegra**, who ran the 880 yard run was also an excellent distance runner.

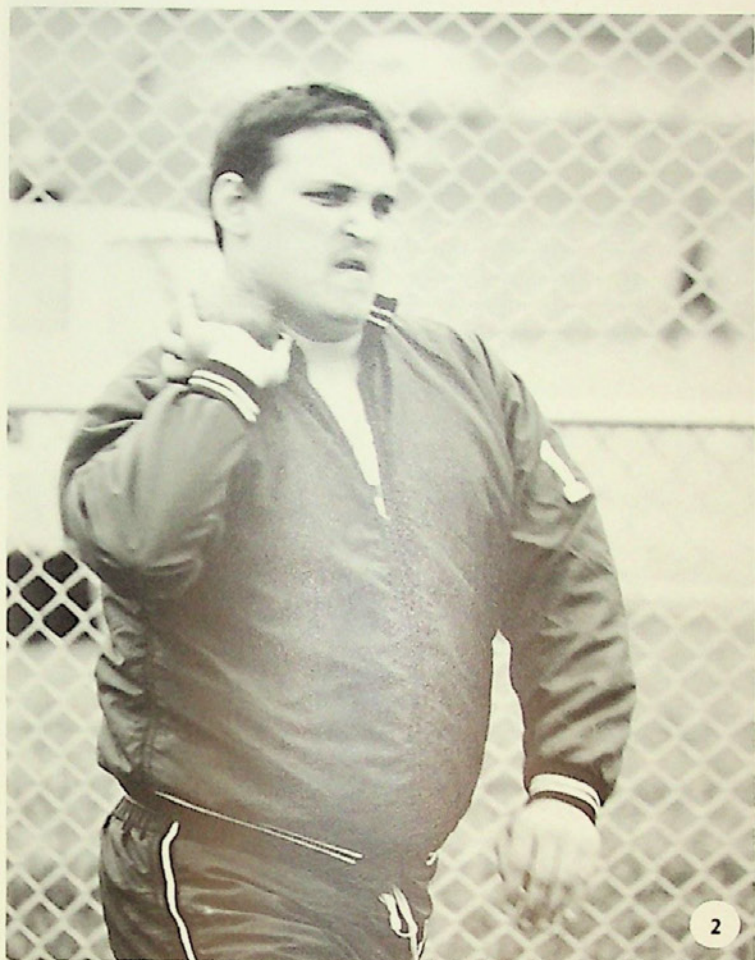

Many runners used Indoor Track as a time to train for Spring track and to keep in shape year round. The members of the team were all very competitive and represented Liberty High well at each meet.

## Striving For A Perfect "10"

This year the **Gymnastics team** ended their season with a record of 3 wins and 5 losses. Though this record may not seem impressive, the amount of work and dedication shown by the team members certainly was. The team members put many hard hours in afterschool to prepare for each of their competitions. At every performance an audience is kept to a minimum which perhaps may seem unrewarding, but it does allow for better concentration.

This year's coaches, **Coach Gakenbush** and Assistant **Coach Iassello**, were both very pleased with the efforts shown by each team member, and hope that next year's team will show as much enthusiasm.

This year's captain, **Monique Morabito**, was not only a strong leader, Monique was also very competitive and scored high in each of her events. Other key members of the team included junior **Gina Rivera**, and sophomores **Ann Tullio**, **Michelle Podberski**, and **Nicole Capobianco**. **Barb Newhart**, the team's only graduating member, also competed well in each of her events. Next year the team hopes to improve and have a winning season, in which they will impress upon everyone how talented they really are although their talent often goes unnoticed.

# Top Gunners Win League

The 1987-88 **Liberty Rifle Team** was once again successful in winning The East Penn Rifle League, and had a 36 match consecutive winning streak. This all came to a depressing halt when our shooters lost their only match of the season to Salisbury, the team's only contender. This did not hurt the group mentally, but pushed them to remain undefeated the rest of the season. With having such pivotal gunners as **David Werkheiser**, who was first in the league, **Bob Adler**, who was second, **Jason Rubbery**, finishing third, **Ed Morrison**, the team's captain and fourth in the league, and **Mark Jackson**, seventh, the team couldn't be touched. Being coached once again by **Mr. Paul Miller**, the rifle team's record consisted of 14 wins and 1 loss. This was their only loss in three consecutive years. **Karen Ackerman**, the only girl shooter who is a senior, was on this year's team again. You may be asking "What's in store for us next?" Could this be a dynasty or a tradition at LHS? Well, as far as **Coach Miller** can predict and see, he believes he has something in the making. The underclassmen of the team, of which there are many, shot very well in their last outing. Congratulations go out to all of Liberty's Top Gunners for a tremendous season once again this year.

The 1987-88 Liberty High School Chess Team, under the direction of **Mr. Richard Hafner**, had a third place finish in the East Penn League with a winning record of six and two losses with one tie. The team had included such great pawnpushers as **Peter Spillman**, senior, **Jack Cox**, senior, **Jon Flesher**, senior, **Adam Shelly**, senior, and **Jim Weaver**. **Fredrik Attetfall**, an exchange student from Sweden who is also a senior, won the championship at the Lehigh Valley Junior Chess Tournament over Christmas break in December of 1987. The team suffered their only two heartbreaking losses Parkland and Nazareth High Schools. The captains of this year's team were **Pete Spillman** and **Jack Cox**. Hopefully this year's season will carry over to next year's team, in that, next year's team will consist of only three underclassmen. If these winning seasons continue, the rest of the league's teams will not only be tipping their hats, but their Kings as well.

# FRESHMEN FRESHMEN FRESHMEN FRESHMEN FRESHMEN

The Freshmen Class of the 1987-88 school year was quite eager to weave its way into the Liberty High School atmosphere. The class officers, who were elected after the school year began, were **Kareem Brantley**, President; **Rosemary Horwath**, Vice-President; **Connie Gasda**, Secretary, and **Derrick Reuser** was Treasurer. The advisors for the future sophomore class were **Mr. Joseph Smits** and **Mrs. Janice Friend**.

The Freshmen class was also very active during the school year and participated in several fund raisers. They sold Christmas ornaments around the holiday season, and in addition, they sold candy. These efforts were to help stabilize the class's financial status for future endeavors.

Though newcomers to Liberty High School, the members of the class of 1991 were full of enthusiasm.

# SOPHOMORES

After gaining a year of experience, the sophomore class had made a place for themselves at Liberty. Participating in the many activities offered here, they showed their willingness to contribute to their school.

Activities promoted by the class were selling Christmas items, purchasing flowers for the faculty on homecoming, and buying gifts for members of Liberty's first graduating class.

The class officers were **Nathan Ens-menger**, President; **Jennifer Reed**, Vice President; **Alicia Pereira**, Secretary; **Brad-ley Heydt** and **John Williams**, Co-Treasur-ers. Representatives were **Michelle Ben-nett**, **Suzanne Egeran**, **Alison Lance**, **Kim-berly Mattlock**, **Michelle Podboreski**, **Joan Vargo**, **Emily Whitcomb**, and **Jose Vas-quez**. **Mrs. Joyce Berkenstock** and **Mrs. Carolyn Roman** were the advisors.

# JUNIORS

# S JUNI ORS J ND

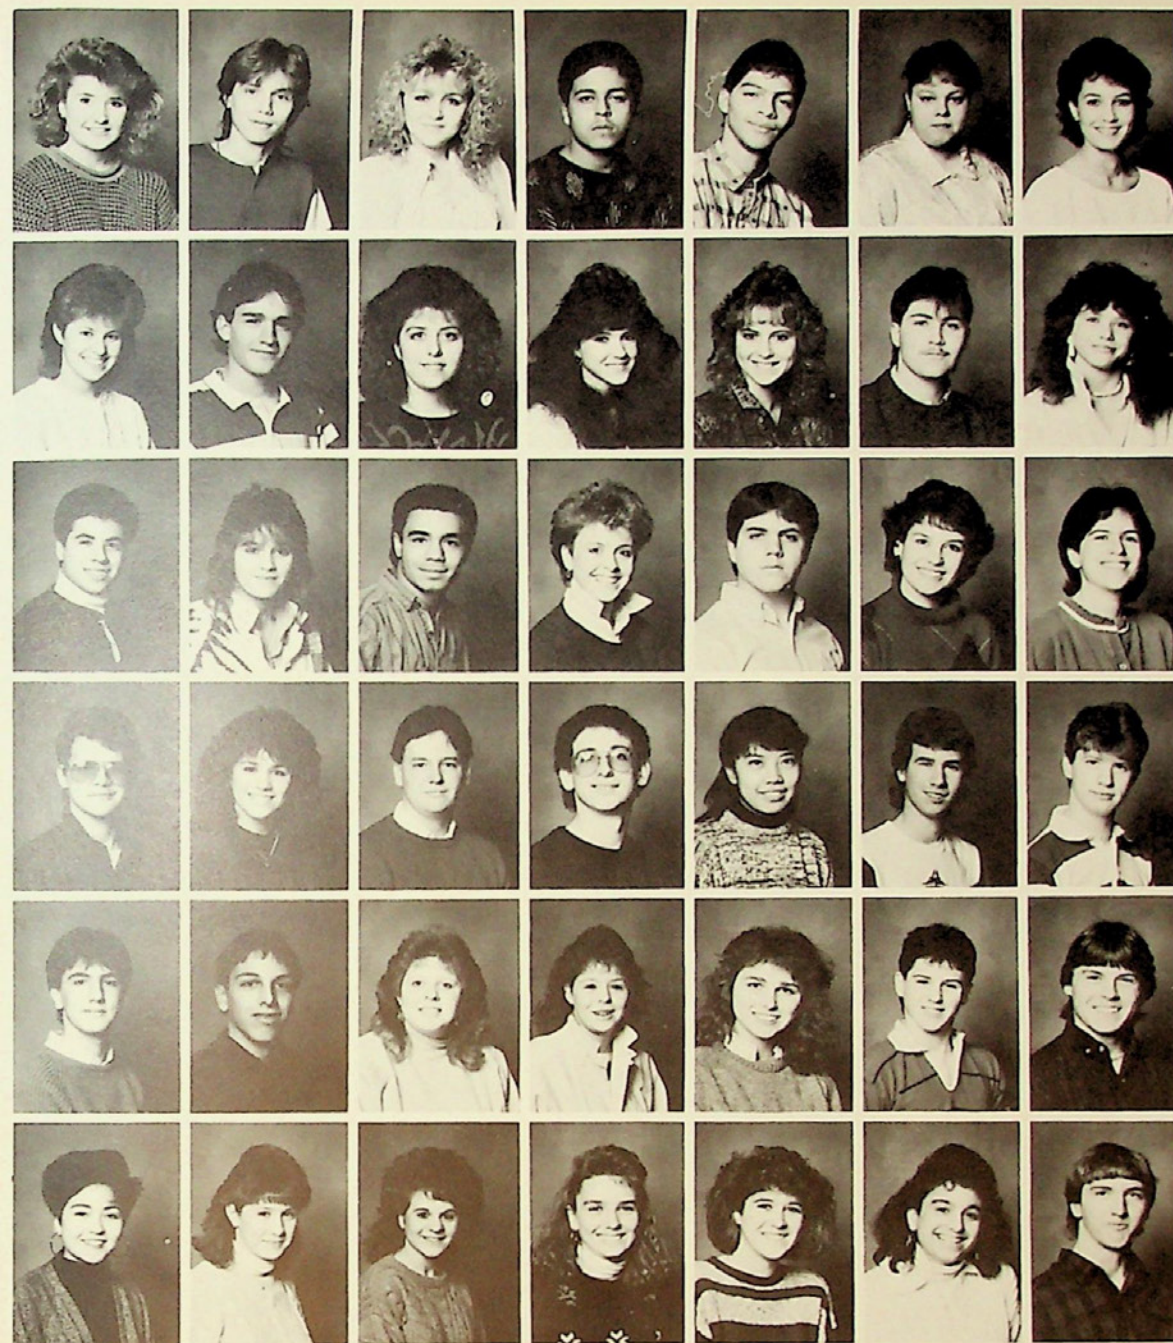

The 1987-88 school year was a challenging one for the class of 1989. They were headed by Class President, **Patrick Tocci** and Vice-President, **Gretchen Brown**. **Megan Phillips** held the position of Secretary, and **Deborah Harrington** was Treasurer. The Class Representatives were **James Chaikowsky**, **Tara Conrad**, **Sheely Elkins**, and **Patrick Tocci** were Student Government Representatives. The advisors were **Mrs. Joan Brong** and **Mrs. Lois Pinto**.

The junior class participated in several fund raising activities such as selling candy among other items, they made an outstanding showing at "Battle of the Classes." In addition, they decided on the Junior-Senior Prom theme, "One More Night" by Phil Collins and returned the dance to the traditional site of Hotel Bethlehem.

The class of 1989 has truly found its way in Liberty.

Throughout the four years at Liberty High School, we, the members of the Class of 1988, have been reaching for a common goal, to be the best we can be. Along the way we have made life-long friends and have seen the worth of education. We have learned to express ourselves in more creative ways; the written word, the spoken drama, and the controlled emotion. We have learned to come together as a whole, no longer individuals, but a group united for our common goal.

## Advice To Future Seniors

Study Halls and exams aren't worth the effort they take  
 Don't let that "special someone" get in the way of life  
 Remember the seniors are the top of the heap only one year at a time  
 Don't be surprised when the seniors go for underclassmen  
 Don't bother with high school parties; go for the college scene  
 Take all your swimings before your junior year.

## Advantages of being a Senior

You finally know where all your classes are on the first day of school  
 College visiting days are noncumulative  
 You know where hall monitors are at lunch time so you can leave safely for lunch  
 Getting senioritis just after you've been accepted to college  
 From tickets are free and guaranteed even if you don't have a date  
 You are constantly asked "What are you doing next year?"  
 You feel ancient at 17 or 18  
 You know all the places where you can display "public affection" and not get caught

Now the Class of '88 will go on to reach for different parts of the sky, but no matter where we find our happiness, everyone will carry with them a special part of Liberty High School.

The first day all of us stepped into LHS we opened opportunity's doors to prepare us for the upcoming future. It is now four years later, time for us to go our separate ways and open new doors to further the dream we have nurtured during our tenure at Liberty High School.

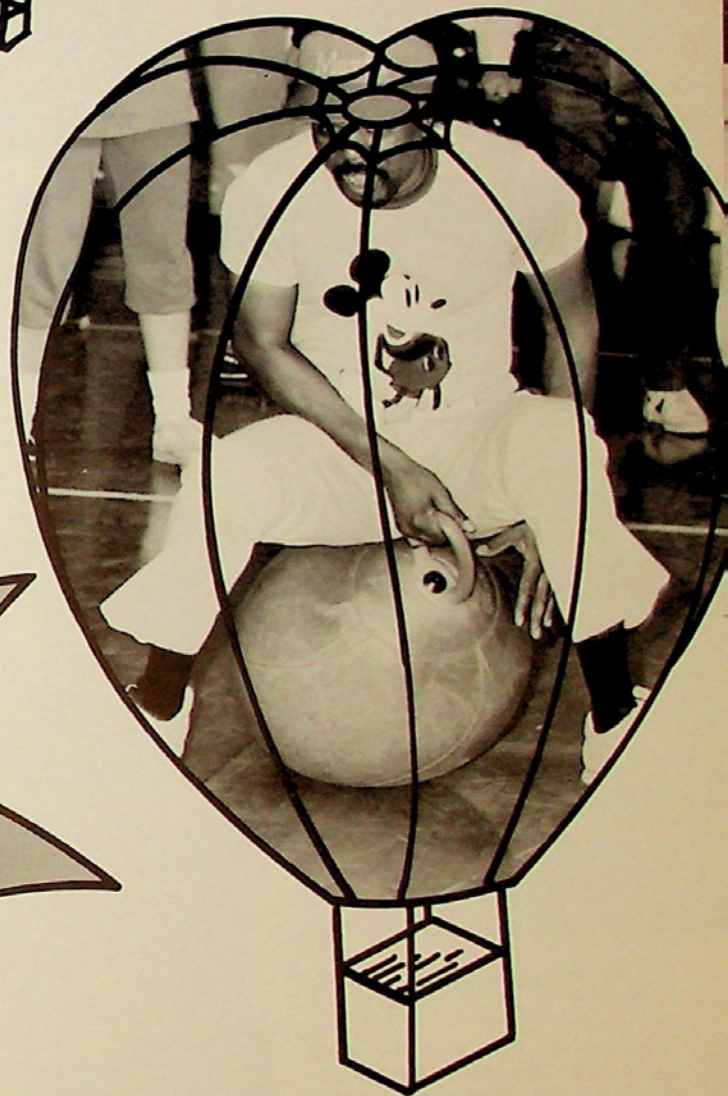

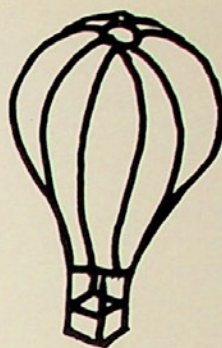

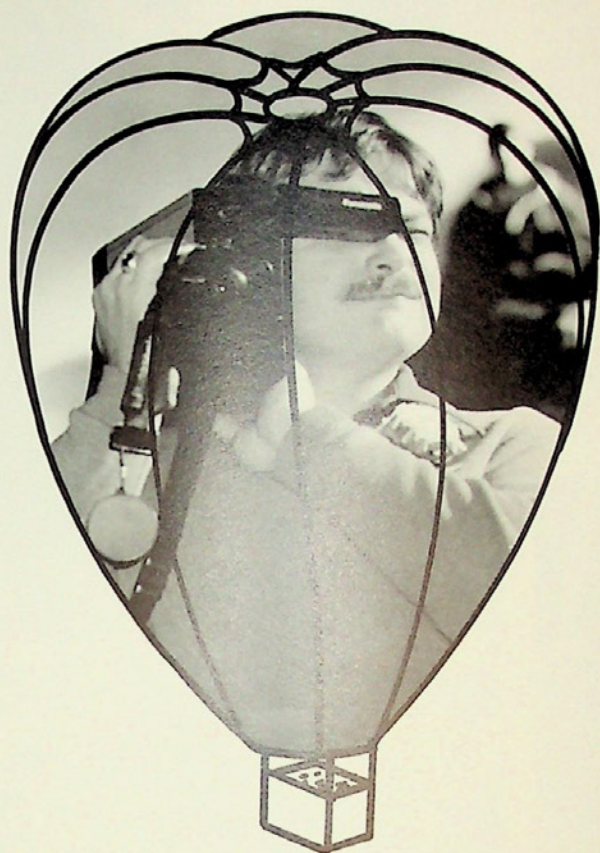

1. The *Cauldron's* Editorial Staff shares a special moment. 2. Our Alma Mater, Liberty High School.

This was the second consecutive school term that **Mr. Anthony Ruggerio** held the title of **Liberty High School's principal**. With the aid of the vice-principals, he was striving to make Liberty High School a successful educational institution. In between conferring with teachers and arranging faculty meetings he also found the time to observe classes and chat with students. He encouraged students to stop down if some assistance was needed. Even though this was only his second year as the "Big Cheese" he showed great school spirit and enthusiasm having been a faculty member some time before.

1. Mr. Ruggerio is always ready to listen to students' ideas. 2. Before school duty is not only for teachers. 3. Mr. Anthony Ruggerio. 4. Mr. Ruggerio tries to congratulate Bill Alexander for the Battle of the Classes, but Bill is more interested in the microphone. 5. Discussions are the highlight of this day. 6. Mr. Petro and Mr. Fair don't exactly know how to react to the boss's comment.

This year, the two **assistant principals** were **Mr. Michael Feser** and **Miss Sandra Seidel**. With the new student services offices, there was not only a relocation but a change in the role of these two individuals. Both assistant principals had to deal with disciplinary and academic action and also with the preparation for college, and individualized testing. In addition, they had their first year in this position, **Mr. Feser** and **Miss Seidel** were both acting Assistant Principals. **Mr. Feser** was in Student Services 102 and **Miss Seidel** in Student Services 119.

1. Miss Seidel works vigorously in her office. 2. Mr. Michael Feser. 3. Mr. Feser explains a new idea to Mr. Hepler. 4. Miss Sandra Seidel. 5. Miss Seidel and Mrs. Diorio helped to keep 119 sane. 6. Mr. Feser takes a leisurely stroll with Mr. Ruggerio.

This year the Guidance office and the Attendance office combined to create two new **student service centers**. Office 119 was the new office of assistant principal, **Miss Sandra Seidel**, and Guidance counselors, **Mr. Joseph Belletti**, who is in charge of students with names ending in A-K grades 12 and 10, and **Mrs. Jean Trend**, who is in charge of students names ending in L-Z grades 12 and 10. **Mrs. Elizabeth Vazquez** was moved across the hall into her own office to aid students with special problems. In office 102 was the new office of **Mr. Mike Feeser** assistant principal, along with Guidance counselors **Mr. Robert Frey** who is in charge of student names ending in A-K grades 11 and 9, and **Mrs. Natlie Knecht** who is in charge of student names ending in L-Z.

"The friendly and helpful atmosphere created by the faculty and staff."

1. **Mrs. Murphy** calls class to order. 2. **Mr. Bevan** and **Mr. Kimock** guard the front of the building during hall duty. 3. **Mrs. Frisoll** watches over **Van Breudac** as he dishes quiche out. 4. **Mrs. Hutter** prepares for her next period class. 5. **Mr. Stewart** helps **O'des Carnes** with his designs. 6. **Mr. Wassmer** takes a break from his classes to do some paperwork. 7. Students were taught the basics of sewing by **Mrs. Murphy**. 8. Even cooking has its written work for **Mrs. Frisoll** and student. 9. **Mrs. Murphy** dishes out the finished products. 10. Included in Home Economics was Child Development.

All in all, just about everyone knows Liberty High School could not function without one staff in particular. This staff was the **office staff**. In their capable hands passed letters to important offices outside and inside Liberty High, announcements of college representatives, mail into teachers' mailboxes, and the most important to the faculty, the paychecks. These nine women and one man kept the school functioning by informing teachers of important events, providing school books and copied papers, comparable to be the World Book Encyclopedia, Volume 65, Liberty High School, and keeping calm when frantic teachers came into their respective offices.

The redistribution of students into two Student Service Centers has also led to a redistribution of office support, staff and their assignments and responsibilities. The ease with which this reassignment has been facilitated readily displays the professionalism characteristic of these people. Along with these changes there has been a greater emphasis placed on student support.

Mrs. Soda reenters a student's schedule. 8. Paperwork is never done for Mrs. Bush.

The **custodial staff** at Liberty High School is often given less credit than deserved. Every member does his fair share of keeping Liberty in the shape it should be in . . . clean! Understanding that there are just under two thousand students, the staff was constantly being kept on their toes. Without them there, where would we have been? Walking through layers of trash or stuck with a jammed locker for the whole year, as well as many other greatly appreciated jobs. Each member was willing to help spread the Hurricane pride on Homecoming day and all through the year.

The **cafeteria staff** worked hard five days a week, September thru June to feed over two thousand students. Their day began in the early morning as they prepared not only for the 11:00 a.m. first lunch period, but also the elementary feeder schools. Their job was far from done when the first set of mouths were fed. There were two additional lunch periods which they had to be ready for. Last year student-made sundaes and milkshakes were an addition to the menu and were continuing throughout the 1987-88 school term.

## Michael "Duke" Jurinko

Reaching out was something Mike did exceedingly well. His friendly smile, gift of gab and artistic skills enchanted most he contacted. Although we have lost him physically, Duke has been permanently captured in our minds and hearts. The charisma of this young man is but one more memory that constitutes the spirit of Liberty, a place where individuals reach out to individuals in order to build bonds that last forever. We will all leave, but a special part of us will remain. That is Liberty, a place where memories are made and preserved; not just a school, but the life of a community quickened by the pulse of tomorrow.
