

Malloy, William

**GREETINGS FROM SON
RECEIVED BY MOTHER**

Mrs. Betty Malloy, 511 Sioux Street, is in receipt of a cablegram from her son William, private first class, extending the seasons greetings. Located "somewhere in Africa," the young man, a graduate of Bethlehem Technical High School, is a member of the invasion force that landed on the coast of Africa.

He told his mother that he is in good health, but craves good old American smoking tobacco and pipes. Both tobacco and pipe have now started a journey to the other side of the world, Mrs. Malloy said.
