### Hellertown Spar Completes Training Course

JUL 26 1943

Dorothy Jane Grubb, who left Hellertown four months ago to become that section's first representative in the SPARS, auxiliary unit to the U. S. Coast Guard, is home for a furlough, returning with the rating of Storekeeper Third Class.

Miss Grubb received her boot training at Hunter College and then was sent to the University of Indiana, where she completed her course last Friday.

She will leave Thursday to take up her new duties at some western post. She is a daughter of Mr. and Mrs. Robert Grubb, 1378 Jefferson Street, Hellertown.
