Word has been received by Mr. and Mrs. Fortunato Tiscio, 728 Morton Street, of the promotion of their son, Vincent, to ship fitter petty officer second class. He enlisted in the Navy in August, 1941, and received his boot training at Newport Naval Training Station, Rhode Island. At the completion of his training he was sent to Great Lakes, Illinois, for advanced instructions. He also received further training at Richmond, Va., Norfolk, Va., and New York City harbor. He left for overseas duty in July, 1943, and is a member of the Atlantic fleet. He writes that everything is well and is fortunate enough to have seen several of his neighborhood and childhood friends. Prior to his enlistment he was employed by the Bethlehem Steel Company.
