Local Lads Meet On Burma Front

5. 1945

From "somewhere in Burma" comes a good news report of two more local boys meeting while serving on active duty assignments overseas. They are Corporal Mark Kressman, Allentown and Pvt. Anthony Marino, 1007 Linden Street, both members of the Aviation Engineer Battalion and holders of several battle stars.

Pvt. Marino, after his induction in April, 1943, trained at bases in Florida, Virginia, Washington and New York. He has been overseas since September 1944. His parents, Mr. and Mrs. James Marino, reside at the Linden Street address.
