

Hakach, Stephen G.

**Local Sailor Aboard
Bikini-Bound Transport**

Stephen G. Hakach, Signalman 3/C, Rouet 4, is stationed aboard the attack transport, USS Burleson, which will take part in the atomic bomb experiment in Bikini Atoll.

The Burleson has been converted to an animal carrier and medical laboratory ship and will carry the animals that are to "man" the ships to be bombed. JUN 8 1946
