**FRANK GARTLAND**

**ROBERT GARTLAND**

Frank and Robert Gartland, sons of Daniel Gartland, of 808 Elm Street, have both been advanced to the rank of Private First Class, U. S. Marine Corps. The brothers, former employes of the open hearth department of the Bethlehem Steel Company, enlisted on August 9, and were assigned to Parris Island, S. C., where they both completed their preliminary training. They were subsequently transferred to Quantico, Va., for advanced training. The father of these Marines is a well known resident of Bethlehem, having served as a member of the old South Bethlehem Borough Council; was active in the consolidation movement, and for years was identified with athletics, particularly baseball, having managed the East End A. A. and the Quakertown clubs.
