**Frank Horvath, Canine's Master,
Now a Technical Corporal.**

Frank Horvath, son of Mr. and Mrs. Alex Horvath, Bethlehem, R. D. 4, inducted into the armed forces in April, 1942, is now a technical corporal in a medical detachment at Fort Tyson, Tenn.

On Tuesday, his pal, "Chief," a Belgian shepherd dog, will enter the service of the United States. He will be sent to Philadelphia, where he will be trained, and then, like his master, will become part of one of the units of the forces defending this country. This canine is believed to be the first that has been offered the United States from this section.

A sister of Corporal Horvath, Miss Rose Horvath, has made application for enrollment in the WAAC's. She is awaiting a call for a physical examination.
