## To Enter WAC, Has Sister Now In War Service

JUL 25 1944

Many Bethlehem parents can mention with pride the fact that two or more of their sons are serving Uncle Sam. Few parents can say the same of daughters.

Among these few are Mr. and Mrs. William Van Auker of 1856 Major Street, whose two daughters are now members of the WAC.

Miss Mary Van Auker is leaving Bethlehem August 2 to report for duty at the Third Training Center located in Oglethorpe, Ga. A former student of Liberty High School, Mary was employed in the Central Tool Department of the Bethlehem Steel Company. She has requested air corps service. Pvt. Martha Van Auker, her sister, has been an ambulance driver in the motor corps at the same center for the past two years.

Pvt. Martha is scheduled to leave for overseas duty within the next two weeks. Mary is hoping to arrive at the training center before her sister departs.
