

Gadfly seeks conflict resolution

The Bethlehem Gadfly Candidates for election, Election May 8, 2021

 *Latest in a series of posts on candidates for election* 

Gadfly is hoping to resolve a significant disagreement that occurred between the mayoral candidates in this exchange at the Lehigh Valley for All candidates meeting and that received significant attention on social media just afterwards. Not all City Councilors have responded at this time.

Bryan, Michael, Grace, Olga, Paige, Adam:

So the mayoral race got nasty.

The battle of the negative mailers.

Both Willie and Dana explained themselves in a Gadfly Forum this morning. Good.

Still hanging, though, is the question of whether Dana asked any of you to support his candidacy. Willie said he did; Dana said he didn't. The "L" word was used.

Would you be willing to say whether or not Dana asked you to support him?

It would be good to clear that up.

Thanks, Ed
