The Bethlehem Gadfly Uncategorized January 6, 2020

🎨 The Gadfly invites “local color” photos of this sort 🎨

Original artwork by Sigurður Fáfnisbani Steele*

The eclectic and erudite and sustainability-oriented Alison Steele is a Bethlehem native, whose [Radical Moderate](#) blog Gadfly has often recommended to you. Recently is an interesting post on [Christmas cards and their environmental impact](#). Curious followers are invited to google [Sigurður](#).
