

Promoted

Francis J. Bellew, son of Mr. and Mrs. James Bellew, 931 East Fourth Street, has been promoted to Pharmacist Mate 2-C, according to a recent letter. The young sea-going Marine also told of his having met his brother, S 1-C John Bellew, in Guadalcanal. Both left for overseas in December, 1943, and since that time have taken part in all the major Pacific campaigns.

Francis attended Bethlehem Catholic High School before enlisting November, 1942. He received training at Newport, R. I., and after being transferred to the Marine Corps, at North Carolina.

John attended Bethlehem High School. He enlisted August, 1943, received training at Sampson, N. Y., and has crossed the Equator twice since then. His parents expect him home soon.

Another brother, Joseph Bellew, is also in the Navy, stationed at Lakehurst at present.
