## Spring Fundraiser

Thanks to our Valentines Fundraiser, we are half way to our \$3000 goal! Please consider contributing now!

We are working on bringing plants and plantings to the outside rings of the garden. There will be 20 pillars, five in each ring and covered with Cupids' Kisses climbing roses. The climbing rose was the signature rose of the 1930 style rose gardens and added that romantic touch. The grower recommends it, saying "Quick to establish itself and clothed with nice mini size proportionate foliage, it's guaranteed that Cupid will spread his love in your garden."

Suggested donation: \$45 for one set of plants and plantings, \$90 for two. Send checks to MANA, 1528 W Market St. , Bethlehem, PA 18018
