

Duh, Frank

**READY FOR CRACK AT JAP**

Fit as a fiddle and weighting 163 pounds, 44 pounds above his 119 when he entered the service April 22, 1942. Frank Duh, former Bethlehem lad writes from Hawaii to the Globe-Times that he is enjoying Army life. Duh says he's "fit to wipe out a whole Japanese regiment" all by himself. That's pretty big talk, soldier, but maybe you'll get your chance just the same, and if you do, here's the best of luck. No picture is available, Frank, of the men who left Bethlehem April 22, 1942. Sorry.

Thursday, Duh will have been in service just one year.
