

Coronavirus at local nursing homes, senior facilities?

The Bethlehem Gadfly coronavirus April 16, 2020

 *Latest in a series of posts on the coronavirus* 

One of the questions Gadfly sent in to the “ask the mayor” opportunity yesterday had to do with the status of coronavirus at local nursing homes — senior facilities.

No response yet. Not sure if the City is/was going to reply to each question individually or answer questions by category or topic.

Just received this from a social media site I’m on:

“Yesterday I received a voice mail alert from Kirkland Village with a COVID-19 report. There are eight residents and eight staff members who have been diagnosed with COVID-19.”

Anybody know anything about conditions at local places?
