TRAINS IN NEW MEXICO

Second Lieutenant Luther K. Ritter, son of Ida C. Ritter, of Nazareth, has reported to the Carlsbad Army Air Field, Carlsbad, New Mexico. Recently awarded his bombardier wings at the San Angelo, Texas, Army Air Field, Lieutenant Ritter thus begins the second step in his training to become a "double-threat" man—a highly skilled air crew officer able to direct a plane to its objective, drop the bombs, and plot the course homeward.
