The Mind of a Marxist

Bethlehem City Council members have been bending over backwards to pander to the trained Marxists who have been calling for the elimination of the police, district attorneys and the prison system.

Meanwhile, what else have these Marxists' been up to? Oh nothing, just publicly recruiting and training candidates to run against the same city council members who have been mollycoddling them for the past 8 months.

The Marxist / Leninists who turned the former Soviet Union into a "workers' paradise" (where millions died from starvation and purges) used to refer to suckers like Bethlehem's City Council members as "useful idiots."
