

Leach Jr., Lewis

### Aviation Cadet In Advance Training

Word has been received by Mr. and Mrs. Lewis M. Leach, of Center Valley, that their son, Aviation Cadet Lewis, Jr., has been promoted to advanced pilot training, having successfully completed the basic training. Cadet Leach will be located at the Altus Army Air Corps advanced training field. He will fly twin-engine advanced trainers during the first phase of this course and will finish with flying the B-25 "Billy Mitchell" bombers. He is scheduled to graduate on November 5.

Cadet Leach was honored during the Air Olympics which closed the basic training period. He was requested to demonstrate to the whole assembly the repertoire of acrobatics and the art of power-on landings.
