

Reinhard, Paul W.

**T/3 Paul W. Reinhard
Given Bronze Star**

T/3 Paul W. Reinhard, 496th Engineer Heavy Shop Company, was awarded the Bronze Star Medal "for meritorious achievement in connection with military operations in Italy from March 1, 1944, to May 8, 1945." SEP 20 1945

The accompanying citation read: "As foreman of the Rebitting Department of the 496th Engineer Heavy Shop Company, T/3 Reinhard, with no standard equipment available and no information as to the procedure used, designed and directed the manufacture of a jig required to hold bearing shells and developed a method for rebitting bearings which produced a bearing that met prescribed standards. The success of this highly technical and difficult task was due in a large measure to the superior mechanical skill, ingenuity and resourcefulness exhibited by T/3 Reinhard."
