

Coffey, Jr., Edward J.

Graduates As Officer At Army Weather Post

Edward J. Coffey Jr., Bethlehem, was commissioned as a second lieutenant Sept. 6 upon completion of the aviation meteorology cadet course at the Army Air Force Technical Training Command weather school at Grand Rapids, Mich.

He was graduated as a weather officer. The nine months concentrated course trained him to analyze weather and to prepare forecasts. He will be assigned an officer in charge of a weather station and as a forecaster. SEP 9 1943

Lieut. Coffey attended Bethlehem High School and Lehigh University. He was formerly employed as an engineer at the Bethlehem Steel Company.

His parents are Mr. and Mrs. Edward J. Coffey Sr., residing at 1130 North New Street, this city.
